COOPERATION OF HEAVENLY ANGELS WITH EARTH MEN

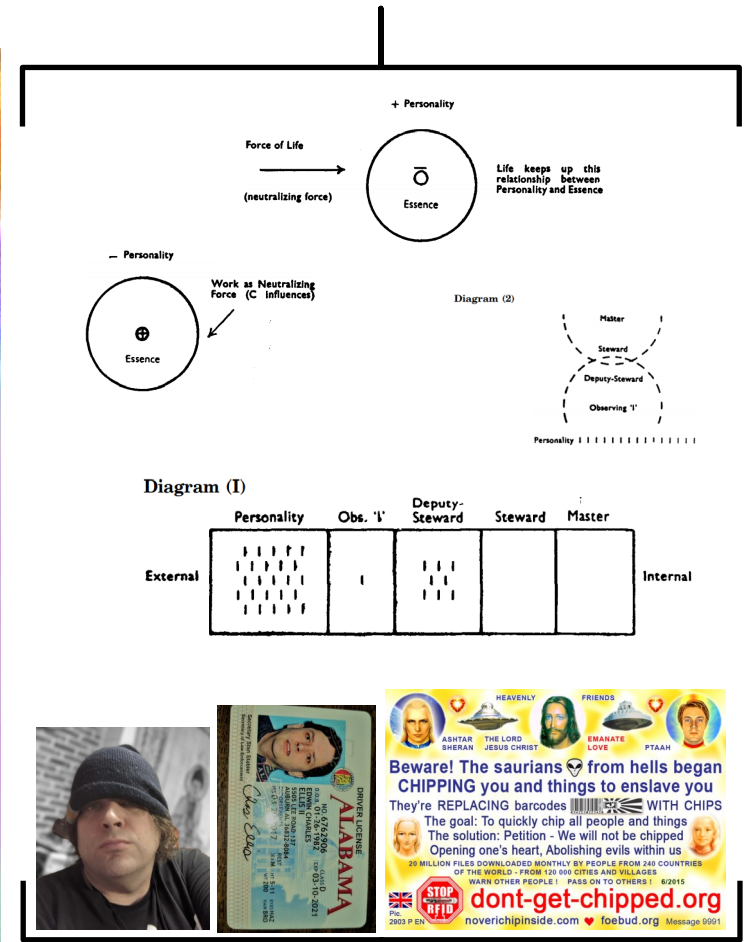

Since 1949, ANGELS FROM HEAVENS have been CONTINUALLY patiently offering a personal contact and cooperation with the supreme representatives of any state of planet Earth. A few personal contacts proceeded in autumn 1949 in the USA and the Soviet Union and in 1954 in the USA. Heavenly Angels do gladly assist in solving of plenty of problems of humankind from (1) arming, (2) poor quality of human life - negative choices, (3) building of chip totality - enslavement of humankind, (4) problems related to climate changes and purification processes of planet Earth, to the (5) problem of protection from infernal entities from Dark worlds who intend to occupy the entire planet Earth and enslave her inhabitants. Angels from Heavens temporarily protect Earth men from physical invasion of these infernal entities. Independently of contacts with head representatives of states, Heavenly Angels have been for tens of years successfully expanding cooperation with millions of Earth men from all the countries in accordance with free will of these people. Heavenly Angels, headed by Ashtar Sheran, the commander of the Grand cosmic squadron, appeal the head representatives of all states on this planet Earth to accede to personal contacts and mutual cooperation for the sake of all Earth men. Loving Angels from Heavens intend to APPEAR PUBLICLY in the face of Earth men. However, they will show up in public only if masses of Earth men are interested in it - this is why dissemination of these actual information to all people is so necessary. April 9, 2010

Message 2890

Get off your knees boy; stand face to face with your God. And Find Out **What You Are**.
 Hello, My Name Is Human. Hello, my name is human. And I Came Down **From The Stars**.
 I'm up off my knees girl... and I'm face to face with myself. And I Know **Who I Am**.
 I stole the power from the sun... I'm... (Hello, my Name is Human; and I know who I am!)

Good luck out there, be careful or safe, and always give back when you are able...

Make that positive difference in the world. The secret is not taking too much if any credit... for a long time. For so long, you forget what money is, and what is not money. Then you will be nearing the far shore. **Gate, Gate, Paragate, Parasamgate, Bodhi Svaha!** (Gone Gone, Gone Beyond, Gone Beyond Beyond...) (Hail the Goer!) He who is one with himself may escape the wheel of births and deaths!
