Sleep

mini-x
~ JVC ~

We must have
leaders' names
for every
nation in order
to account
for their
citizens'
activities. ☺

I hope that
leopard did
not hop

Over the net

Derre

Sun

Sum

moon

mean

Some people!

it's like

they want

to be paid

for sleeping

\$ \$ \$

Wow!

System

Philosophy

Ends of equations
easy to read results
when smoking but
must pay attention
and make note at
same time —
is that
impossible
or
improbable?

Interpol

Garrett Tree

Is a well rounded, good humored individual. But stern

Markus Warknack (...)

needs guidance and can be essentially very cool.

Dann Rogers does not need to believe what is not true even if he's heard it before.

Clark Coary is not the devil. He is also father of kids too.

Temple of Set

They are not

organized religious yet.

travelling through deep
space at 1,000 GHz,
(1 THz) there is not
a lot to do through
vast reaches, and
what's the point?
so we built, for you,
BORG COLLECTIVE

we could also tell you
why

"Resistance

Will

Be

Futile"

This is 321321 years
approximately 300,000

years in the past

to Earth intelligence

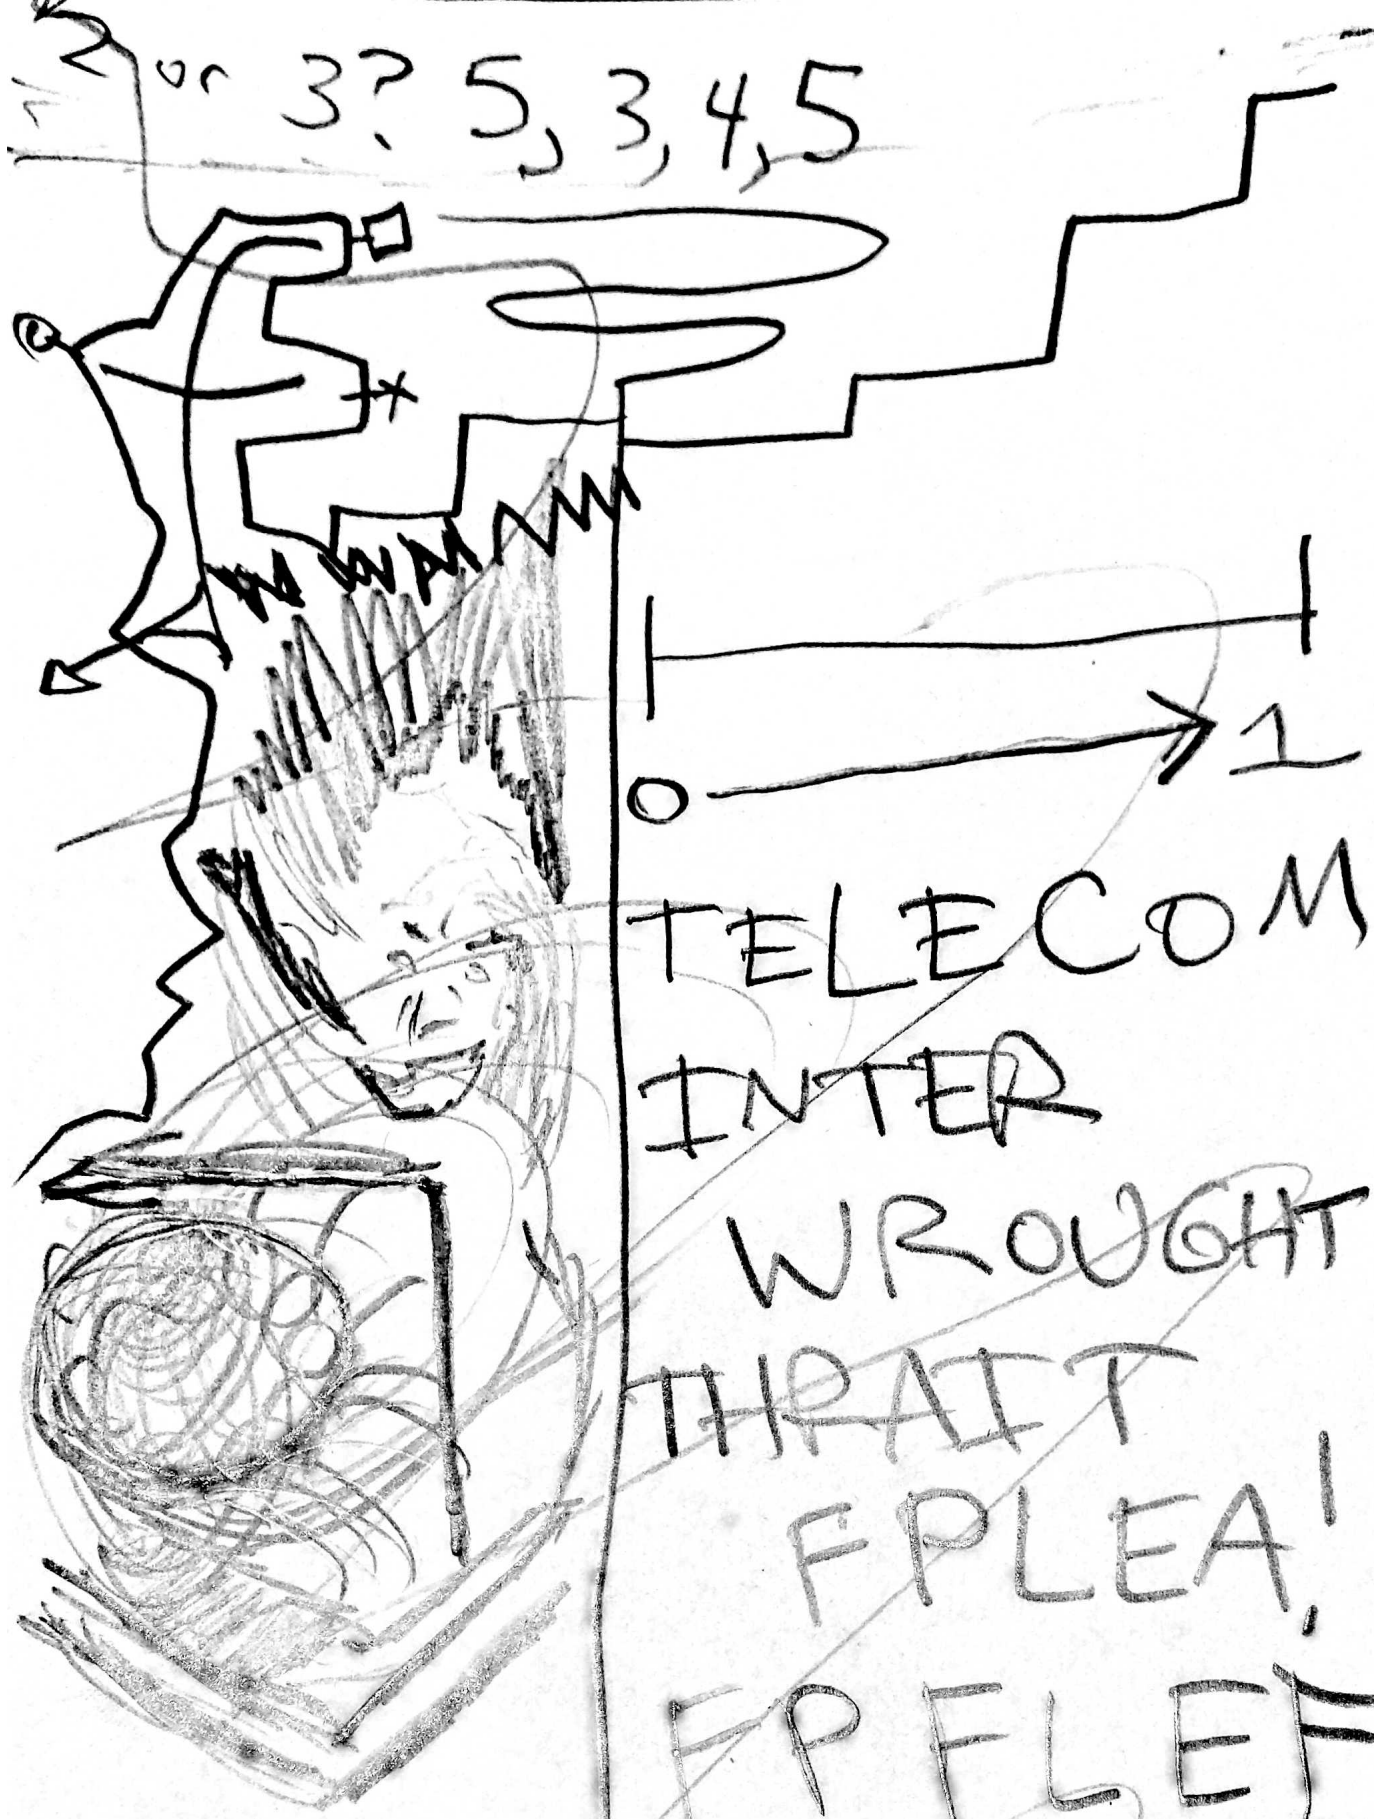

When we wrath call

your planet - we do

you one better

and take you with us

"Planet Electron be
dummed - we are
exploding onto these
borgs' new defense
strategy - they started
mining our planet - and
we finally surrendered
at Far Point, It
was so far, so far
we thought - but, but
all, all, of them
they hate us
they ate us"
