To set a conditional for yourself  
say an "if" word. Maybe, after,  
when, at; then then then then then  
then then then then then then

There are many ways to borrow a note. But if you take a truck load you'll need a luck node.

What do I find funny? Smelly clothes and the Easter bunny.

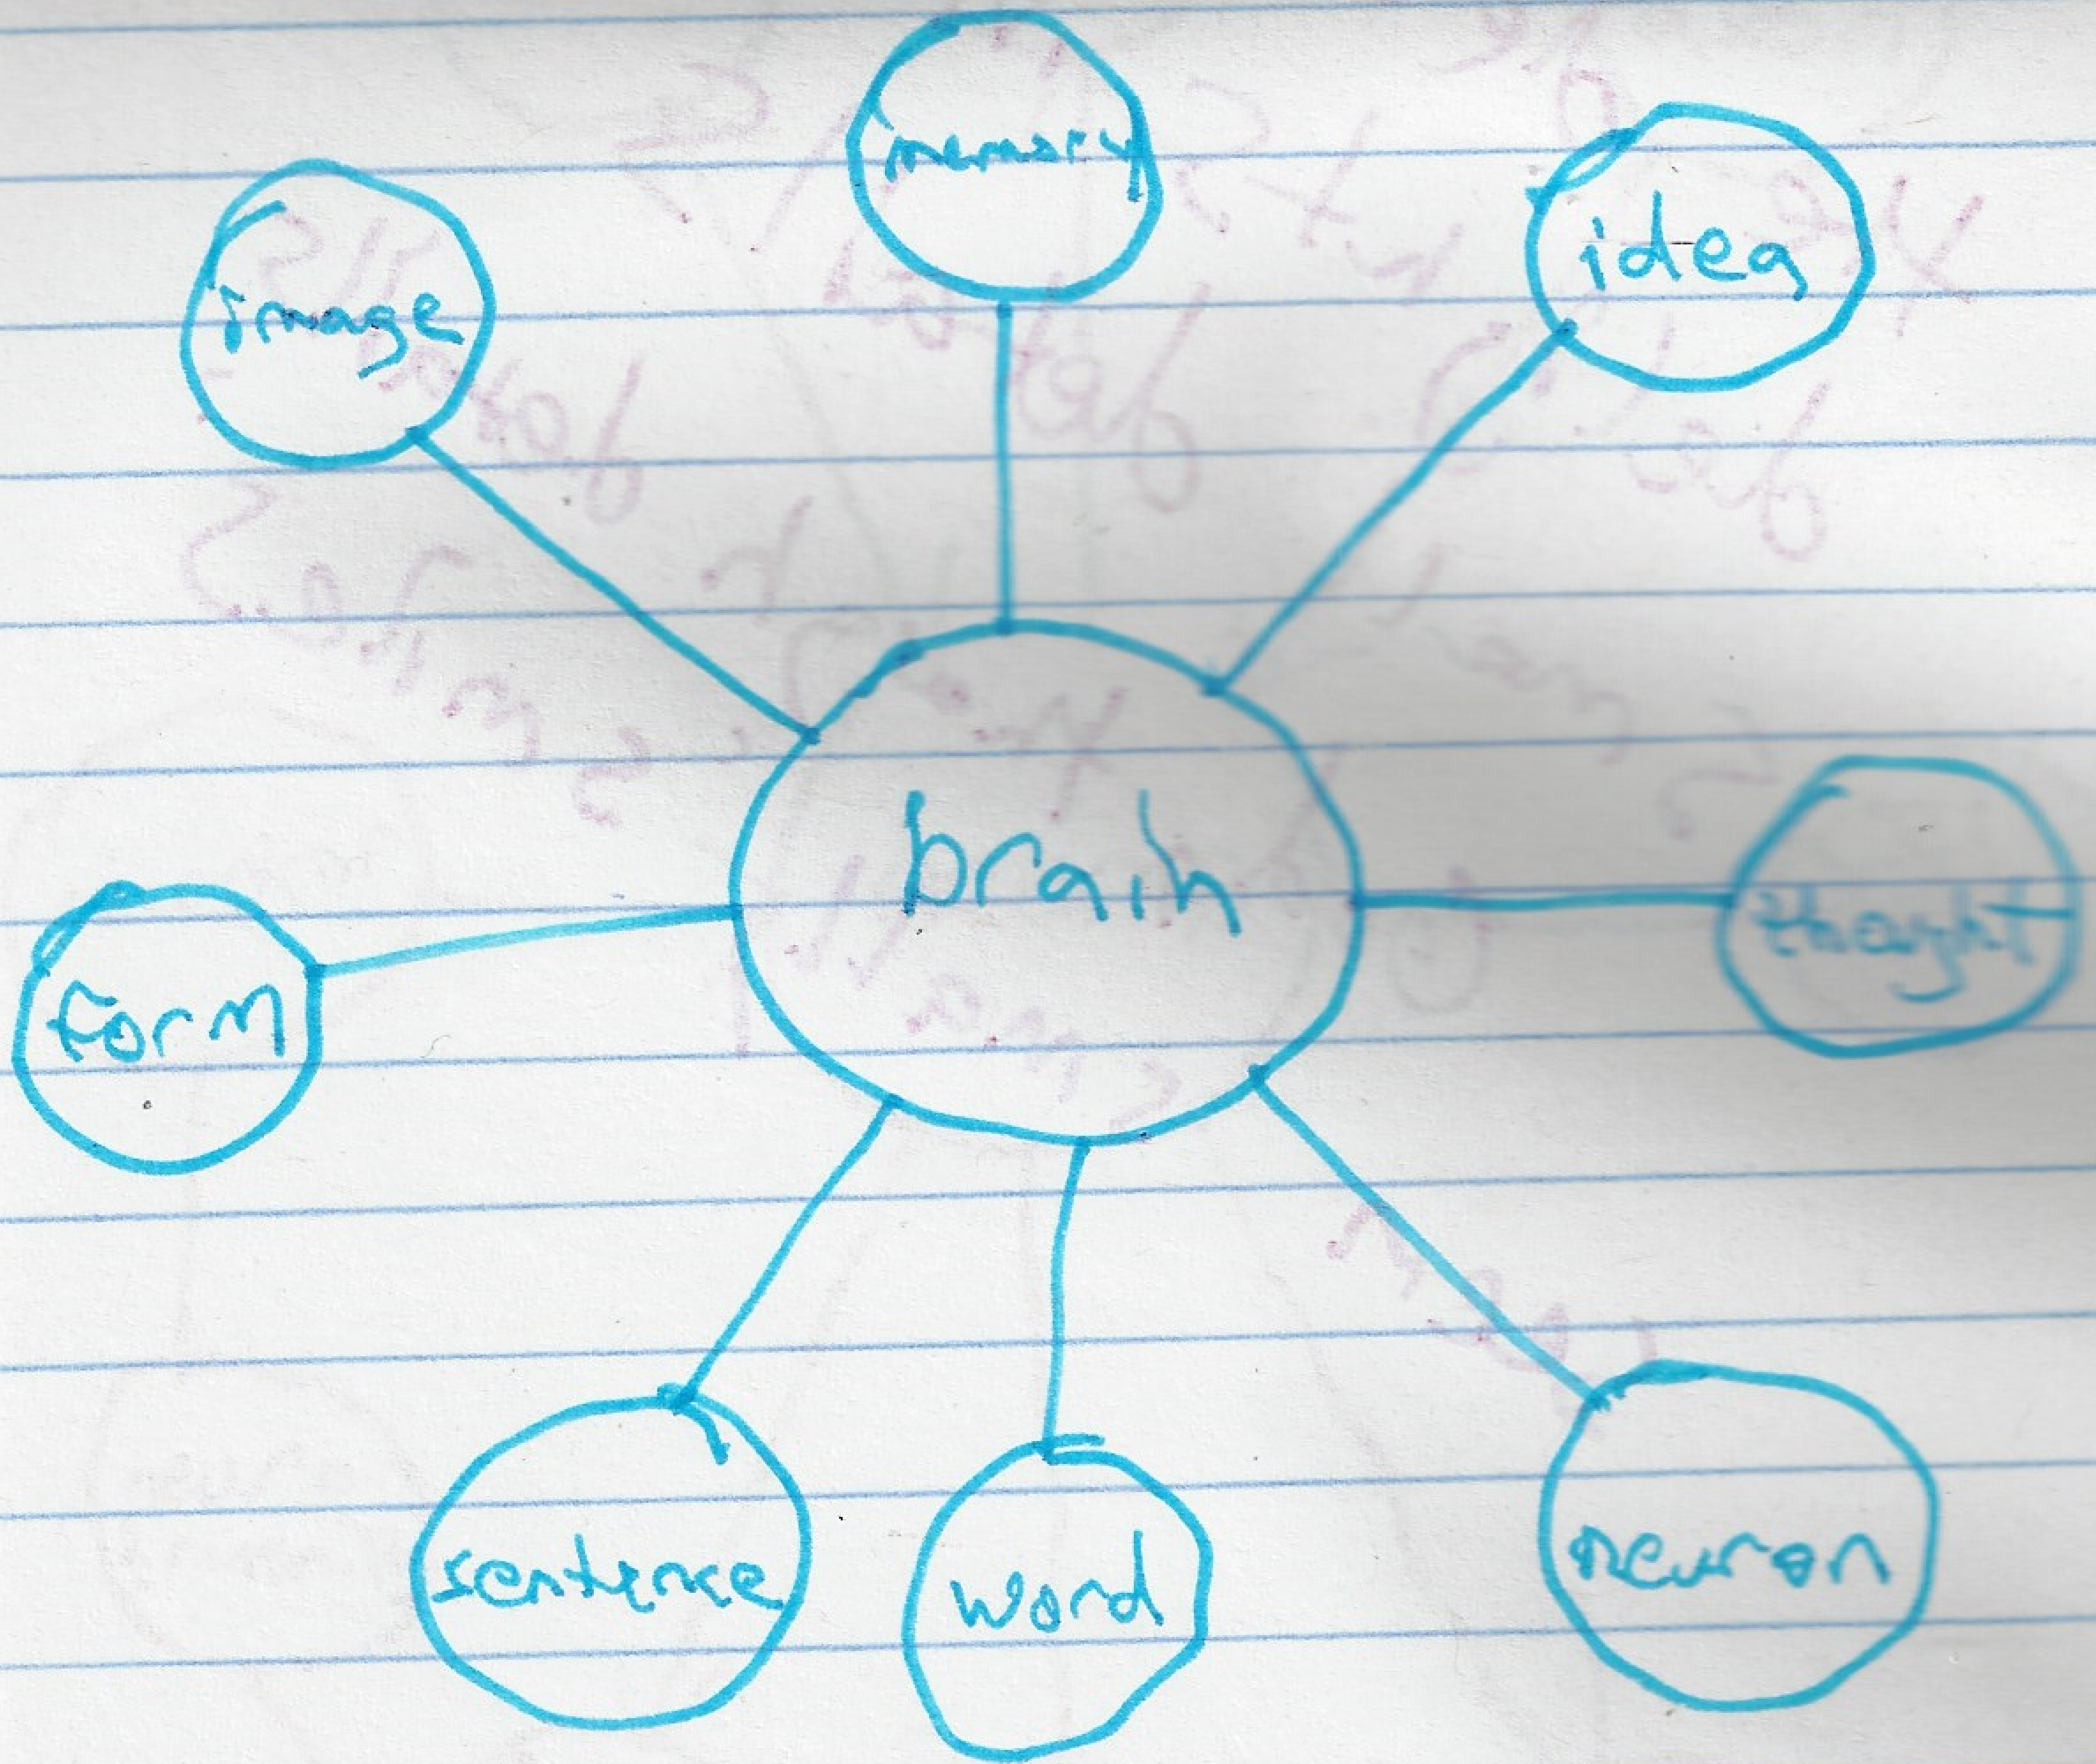

What is the meaning of funny?

Something like a cross between a penis and a tree.

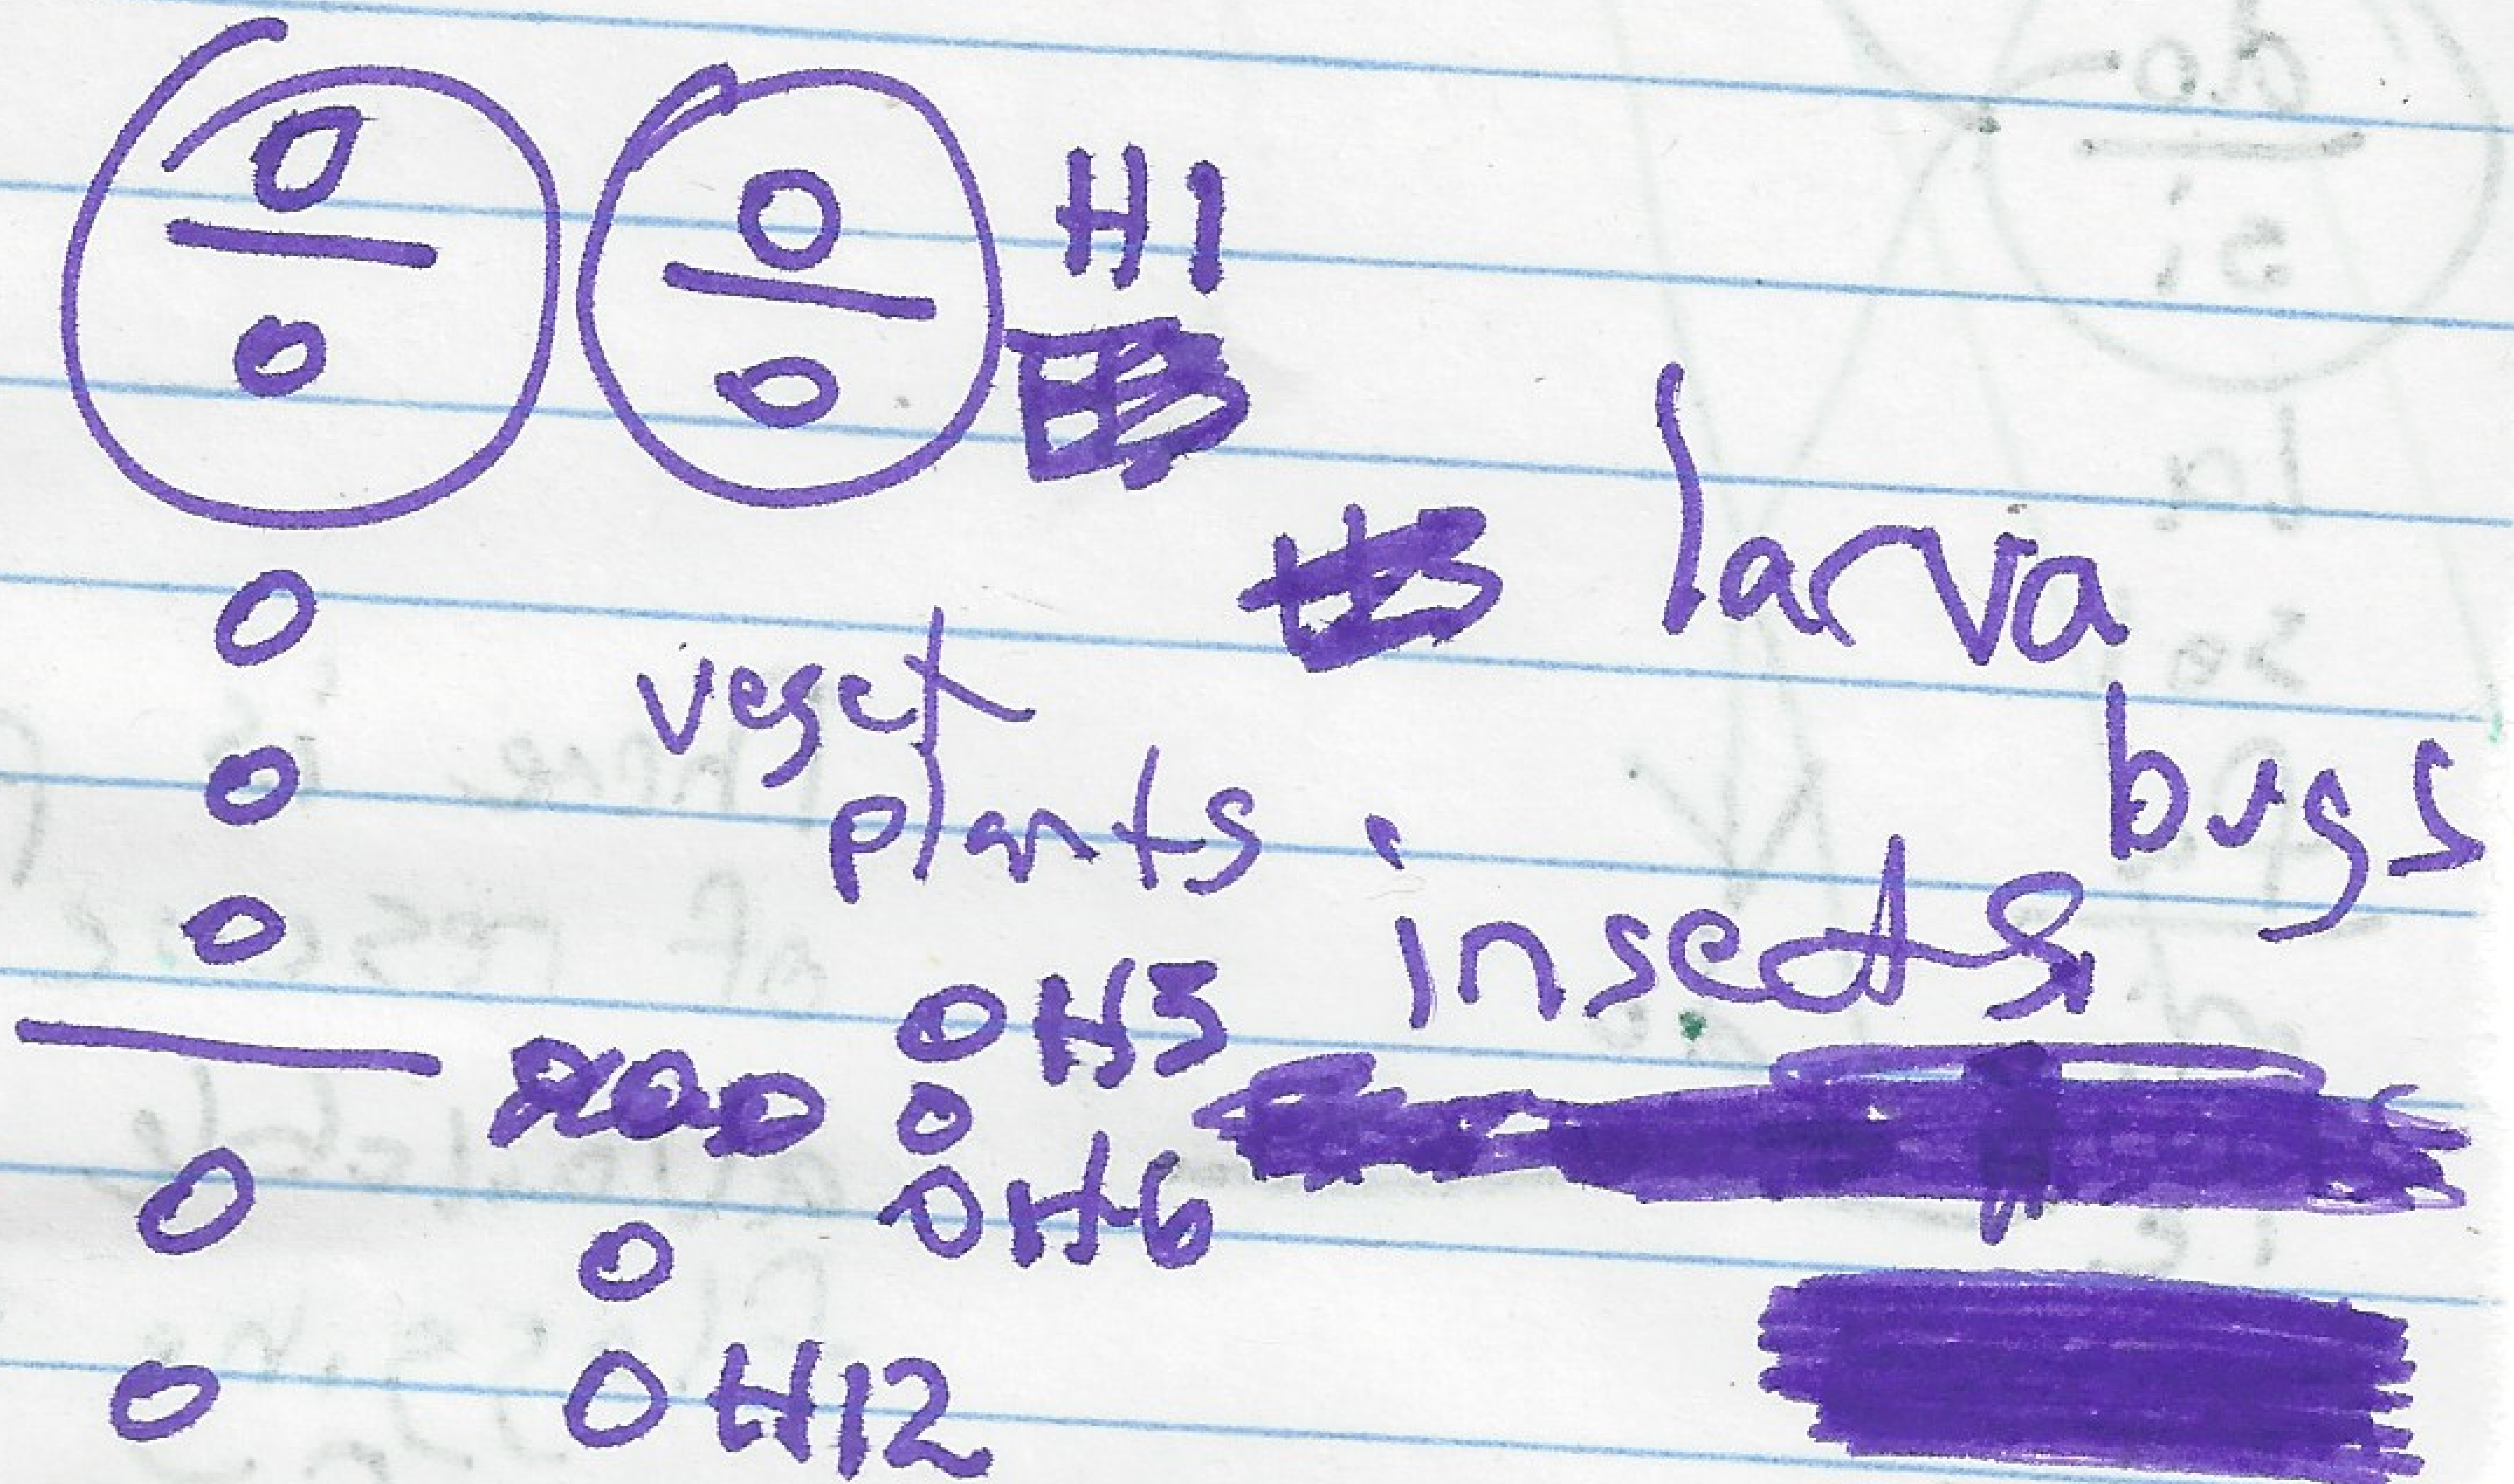

What is my favorite joke?

The math behind computer engineering.

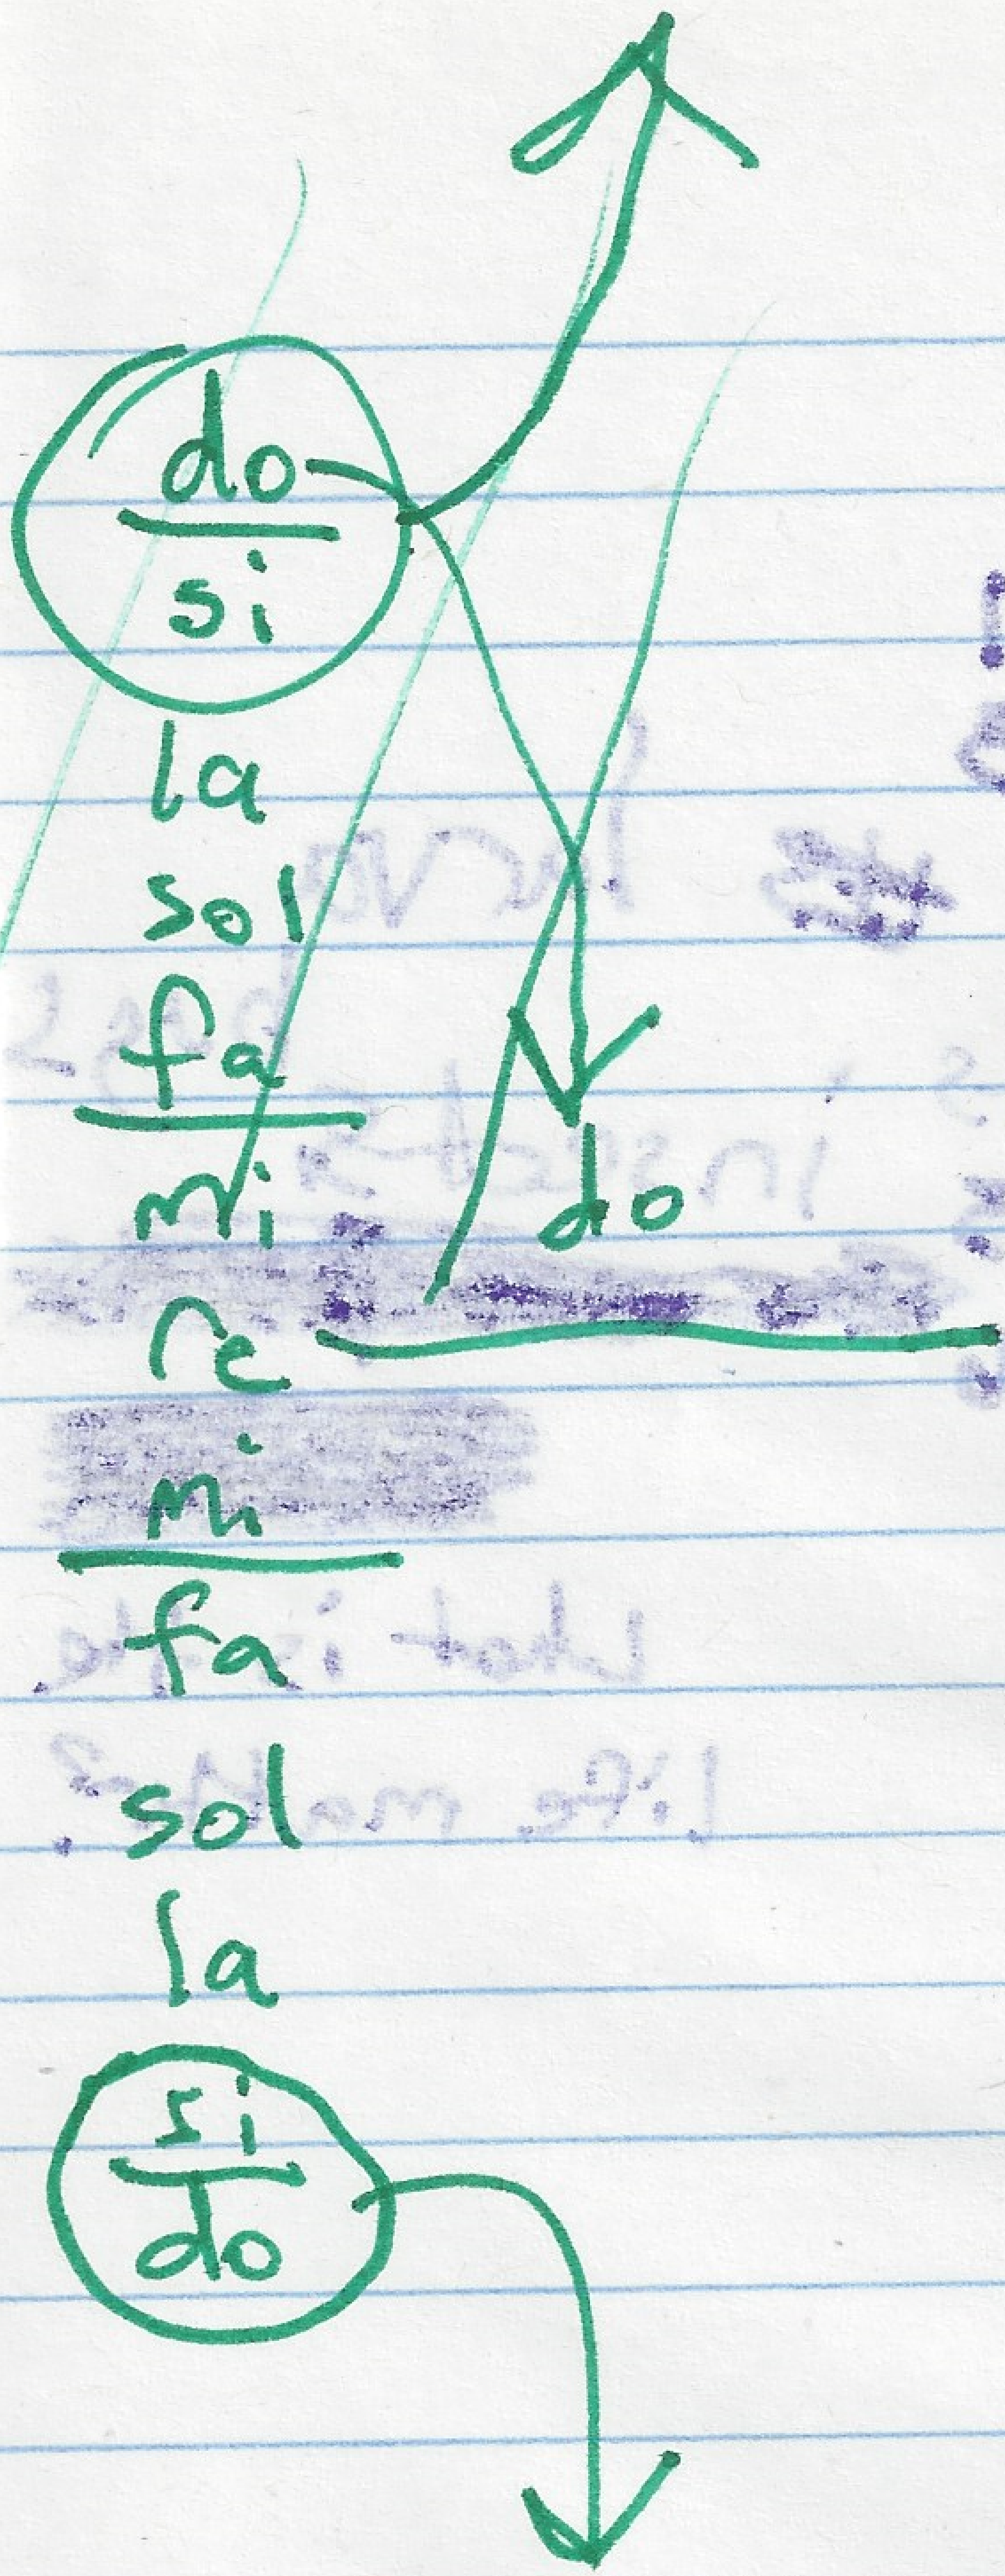

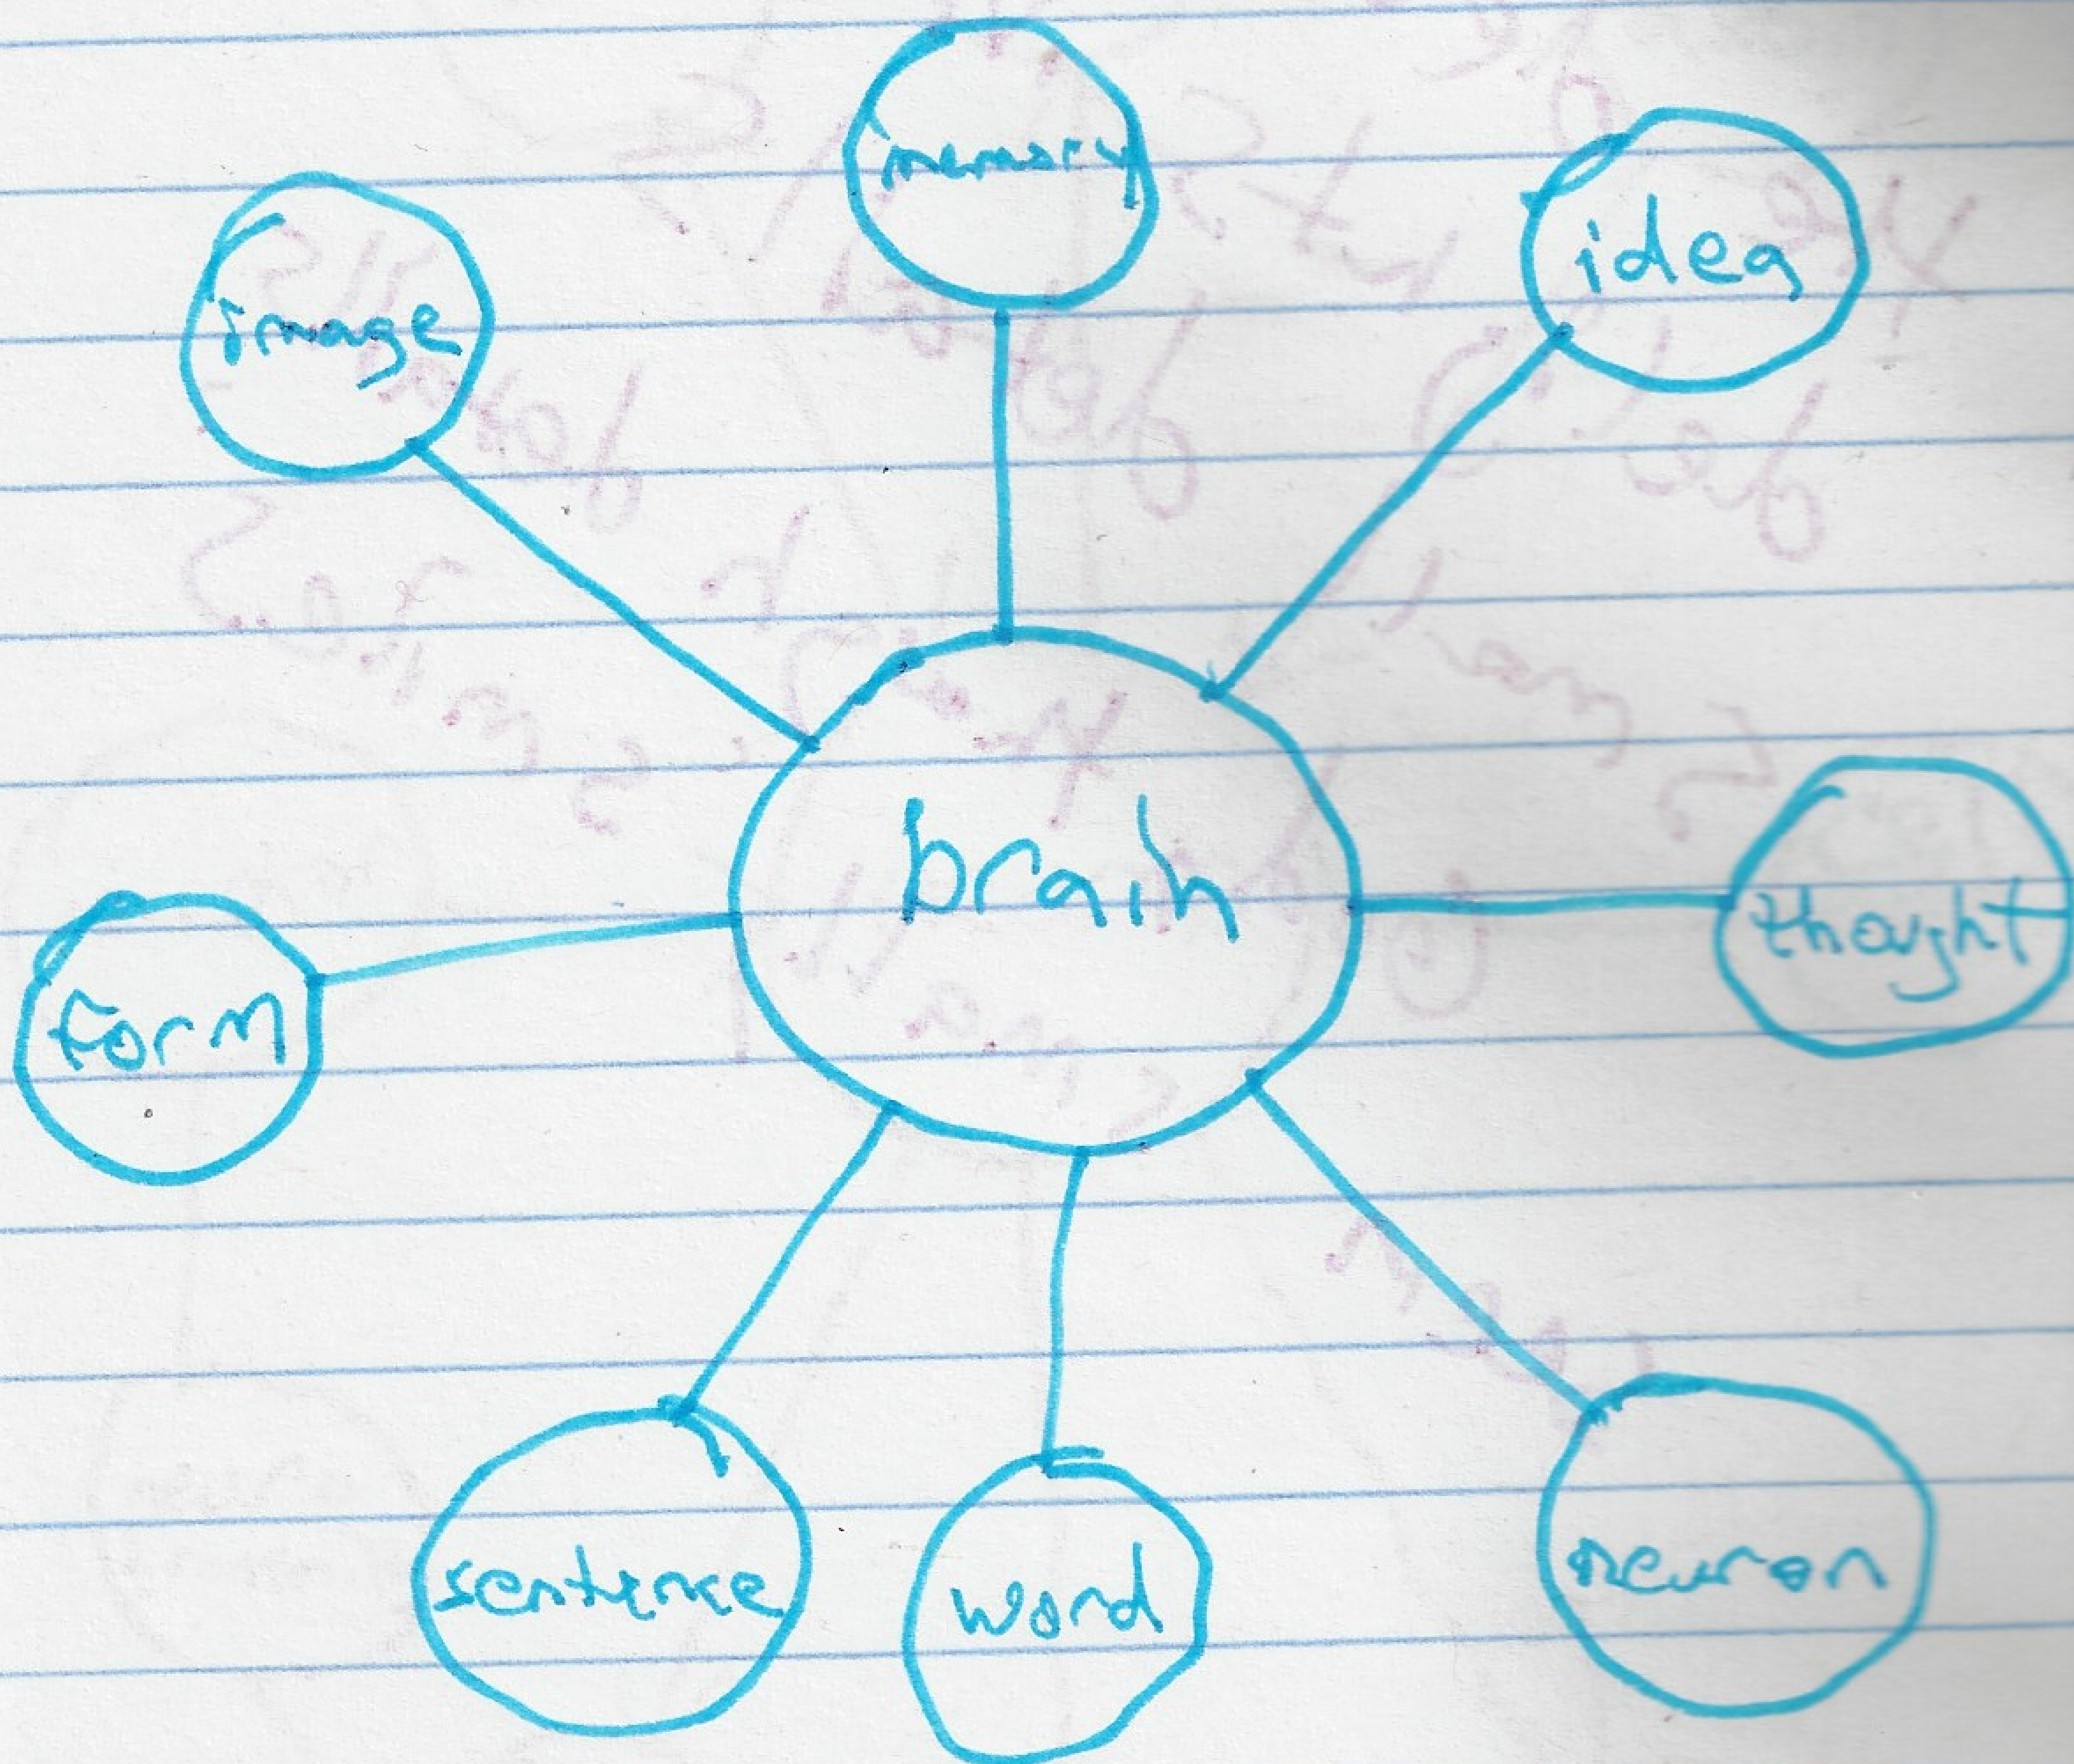

What is the life matter?

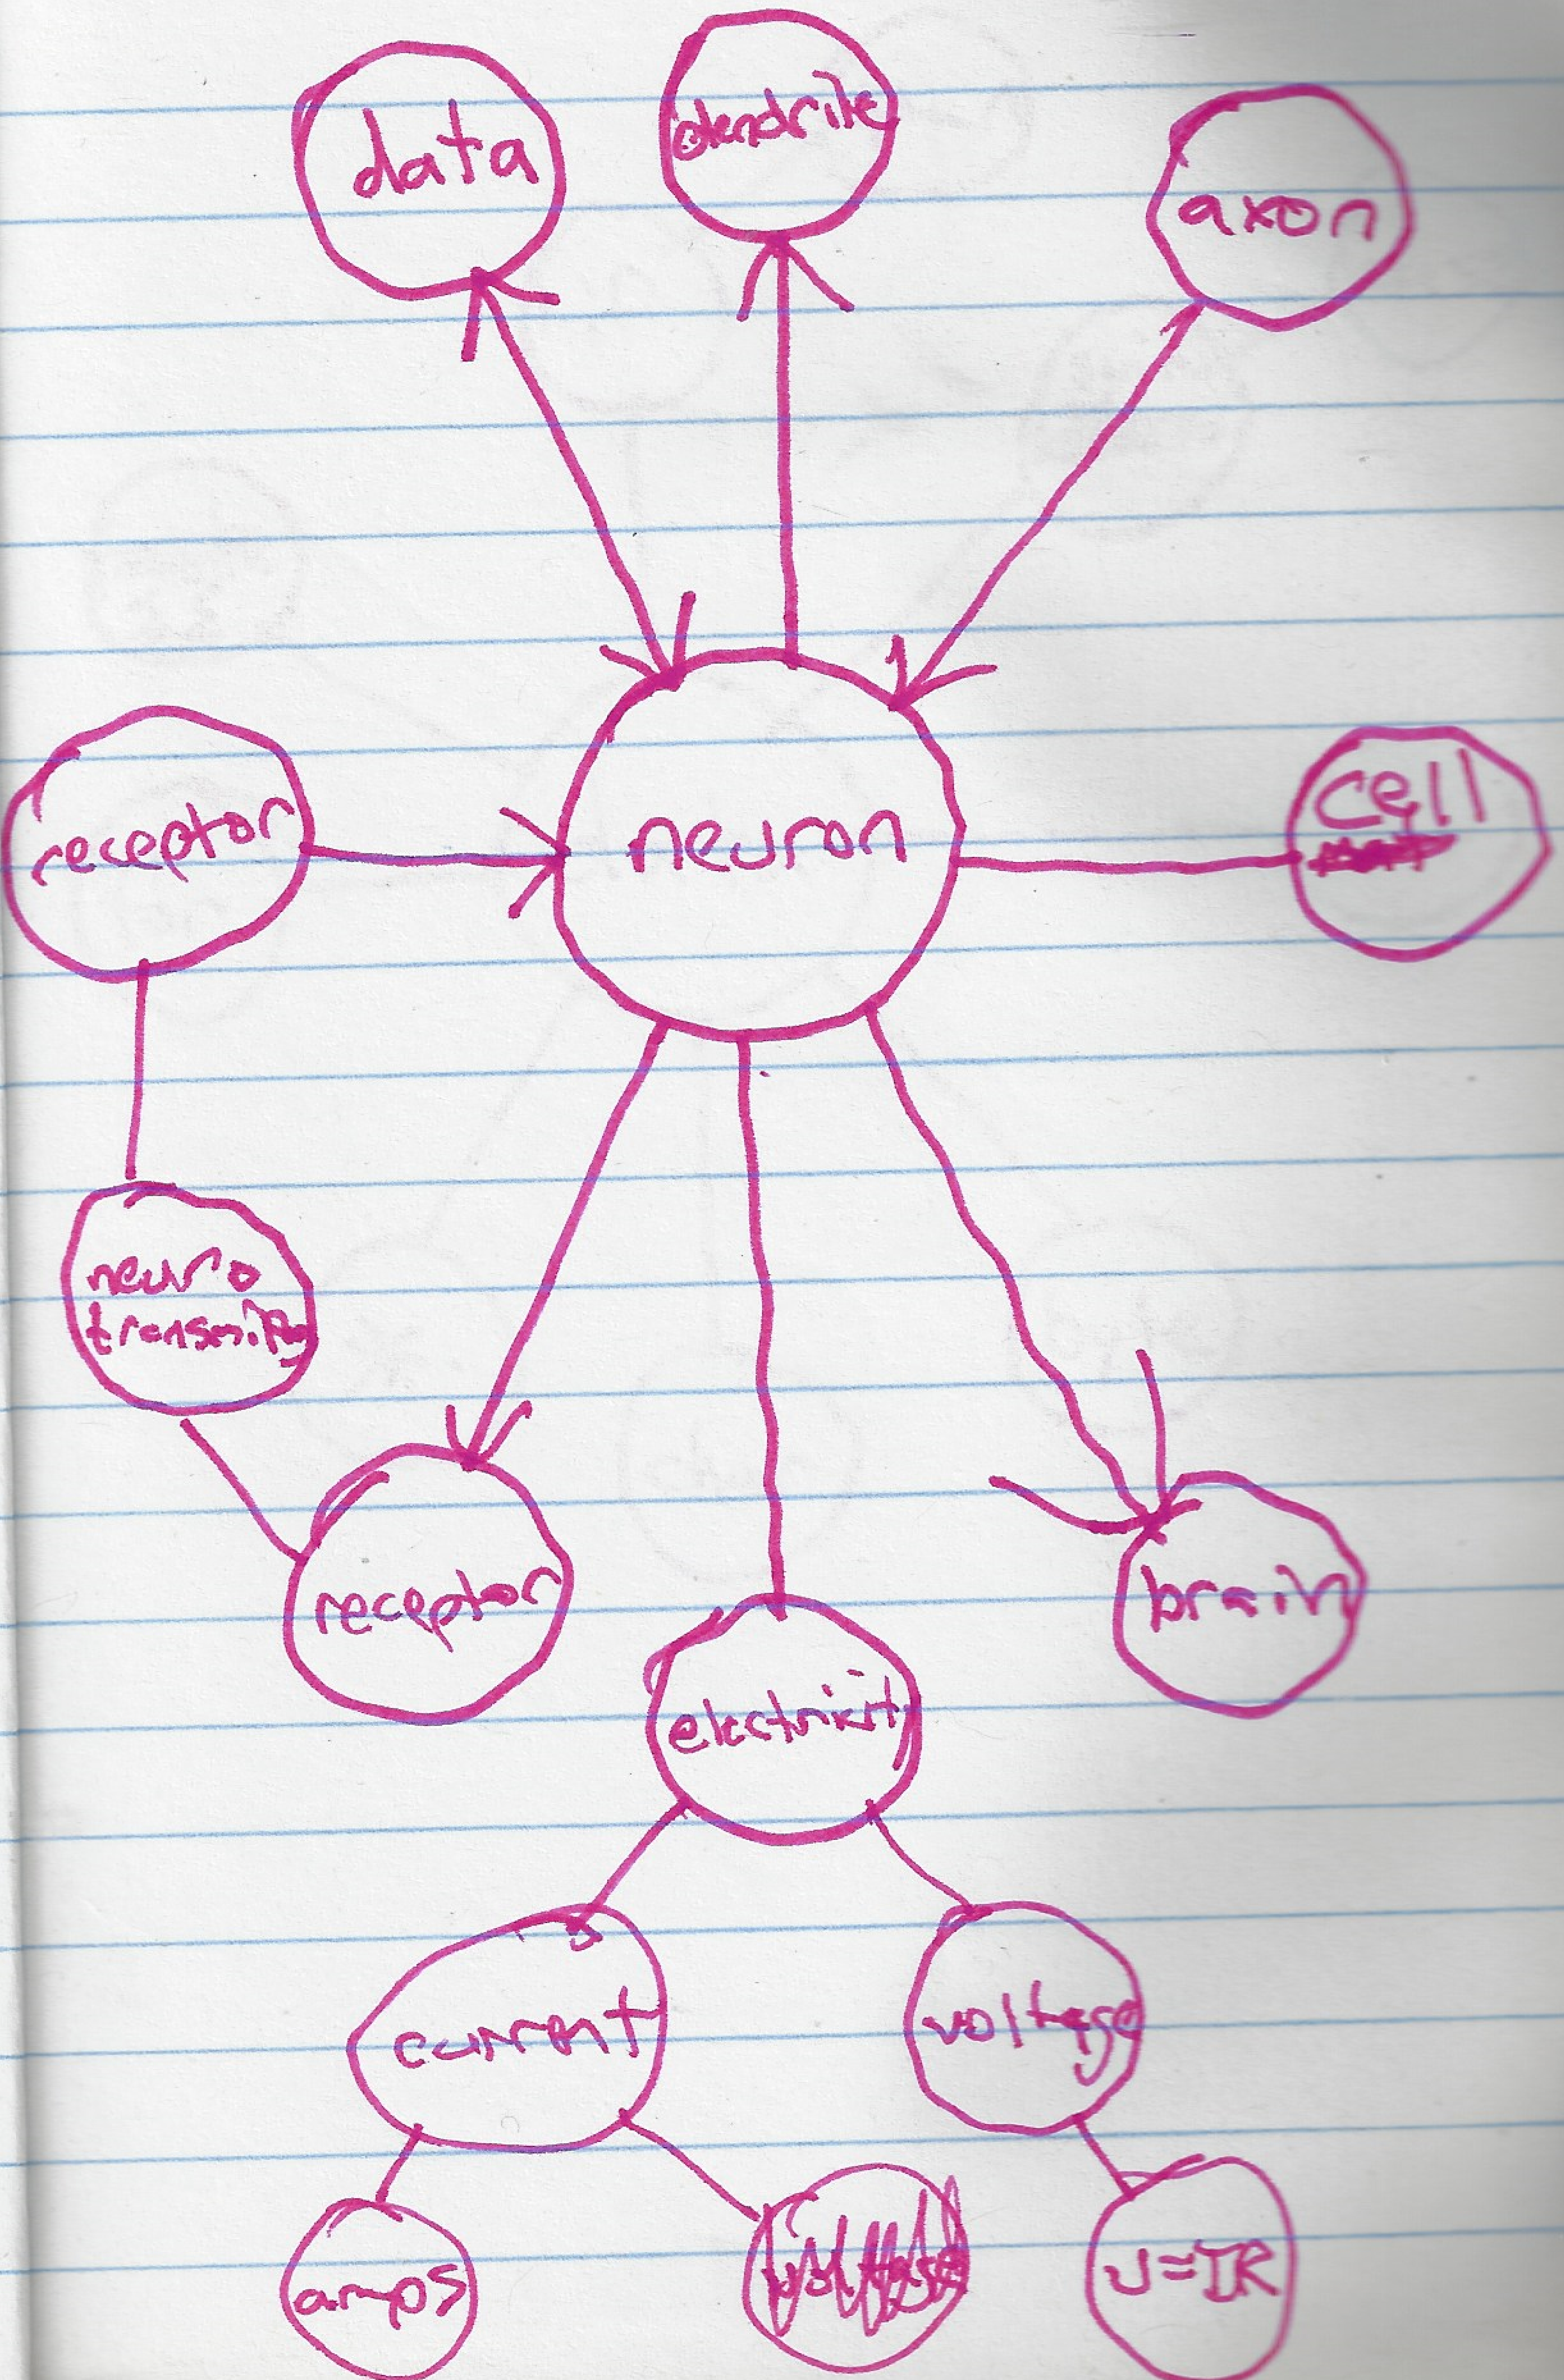

There is plenty of rescue operations available to a flagging driver's ray of creation.
