Time Distortion  
Preliminaries

~~TRIP~~  
Sometimes... time

Speeds up... accelerates...

Other times... time

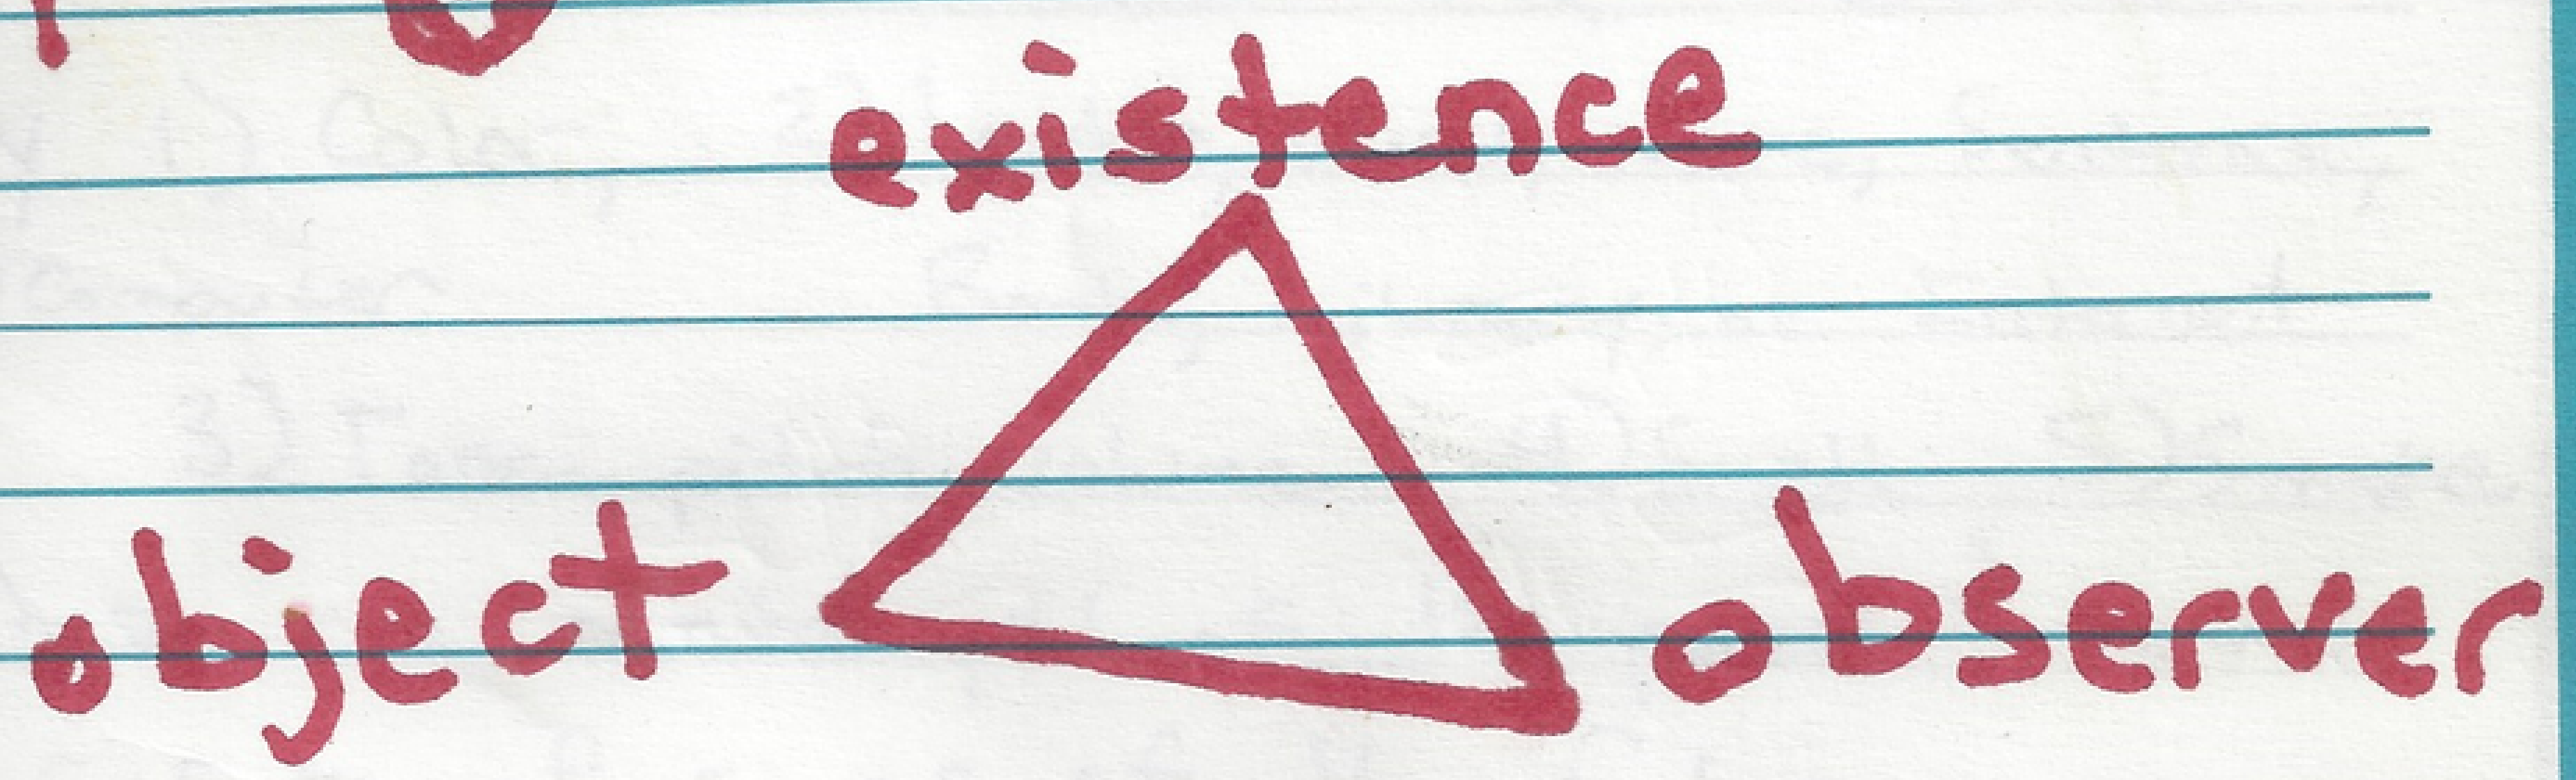

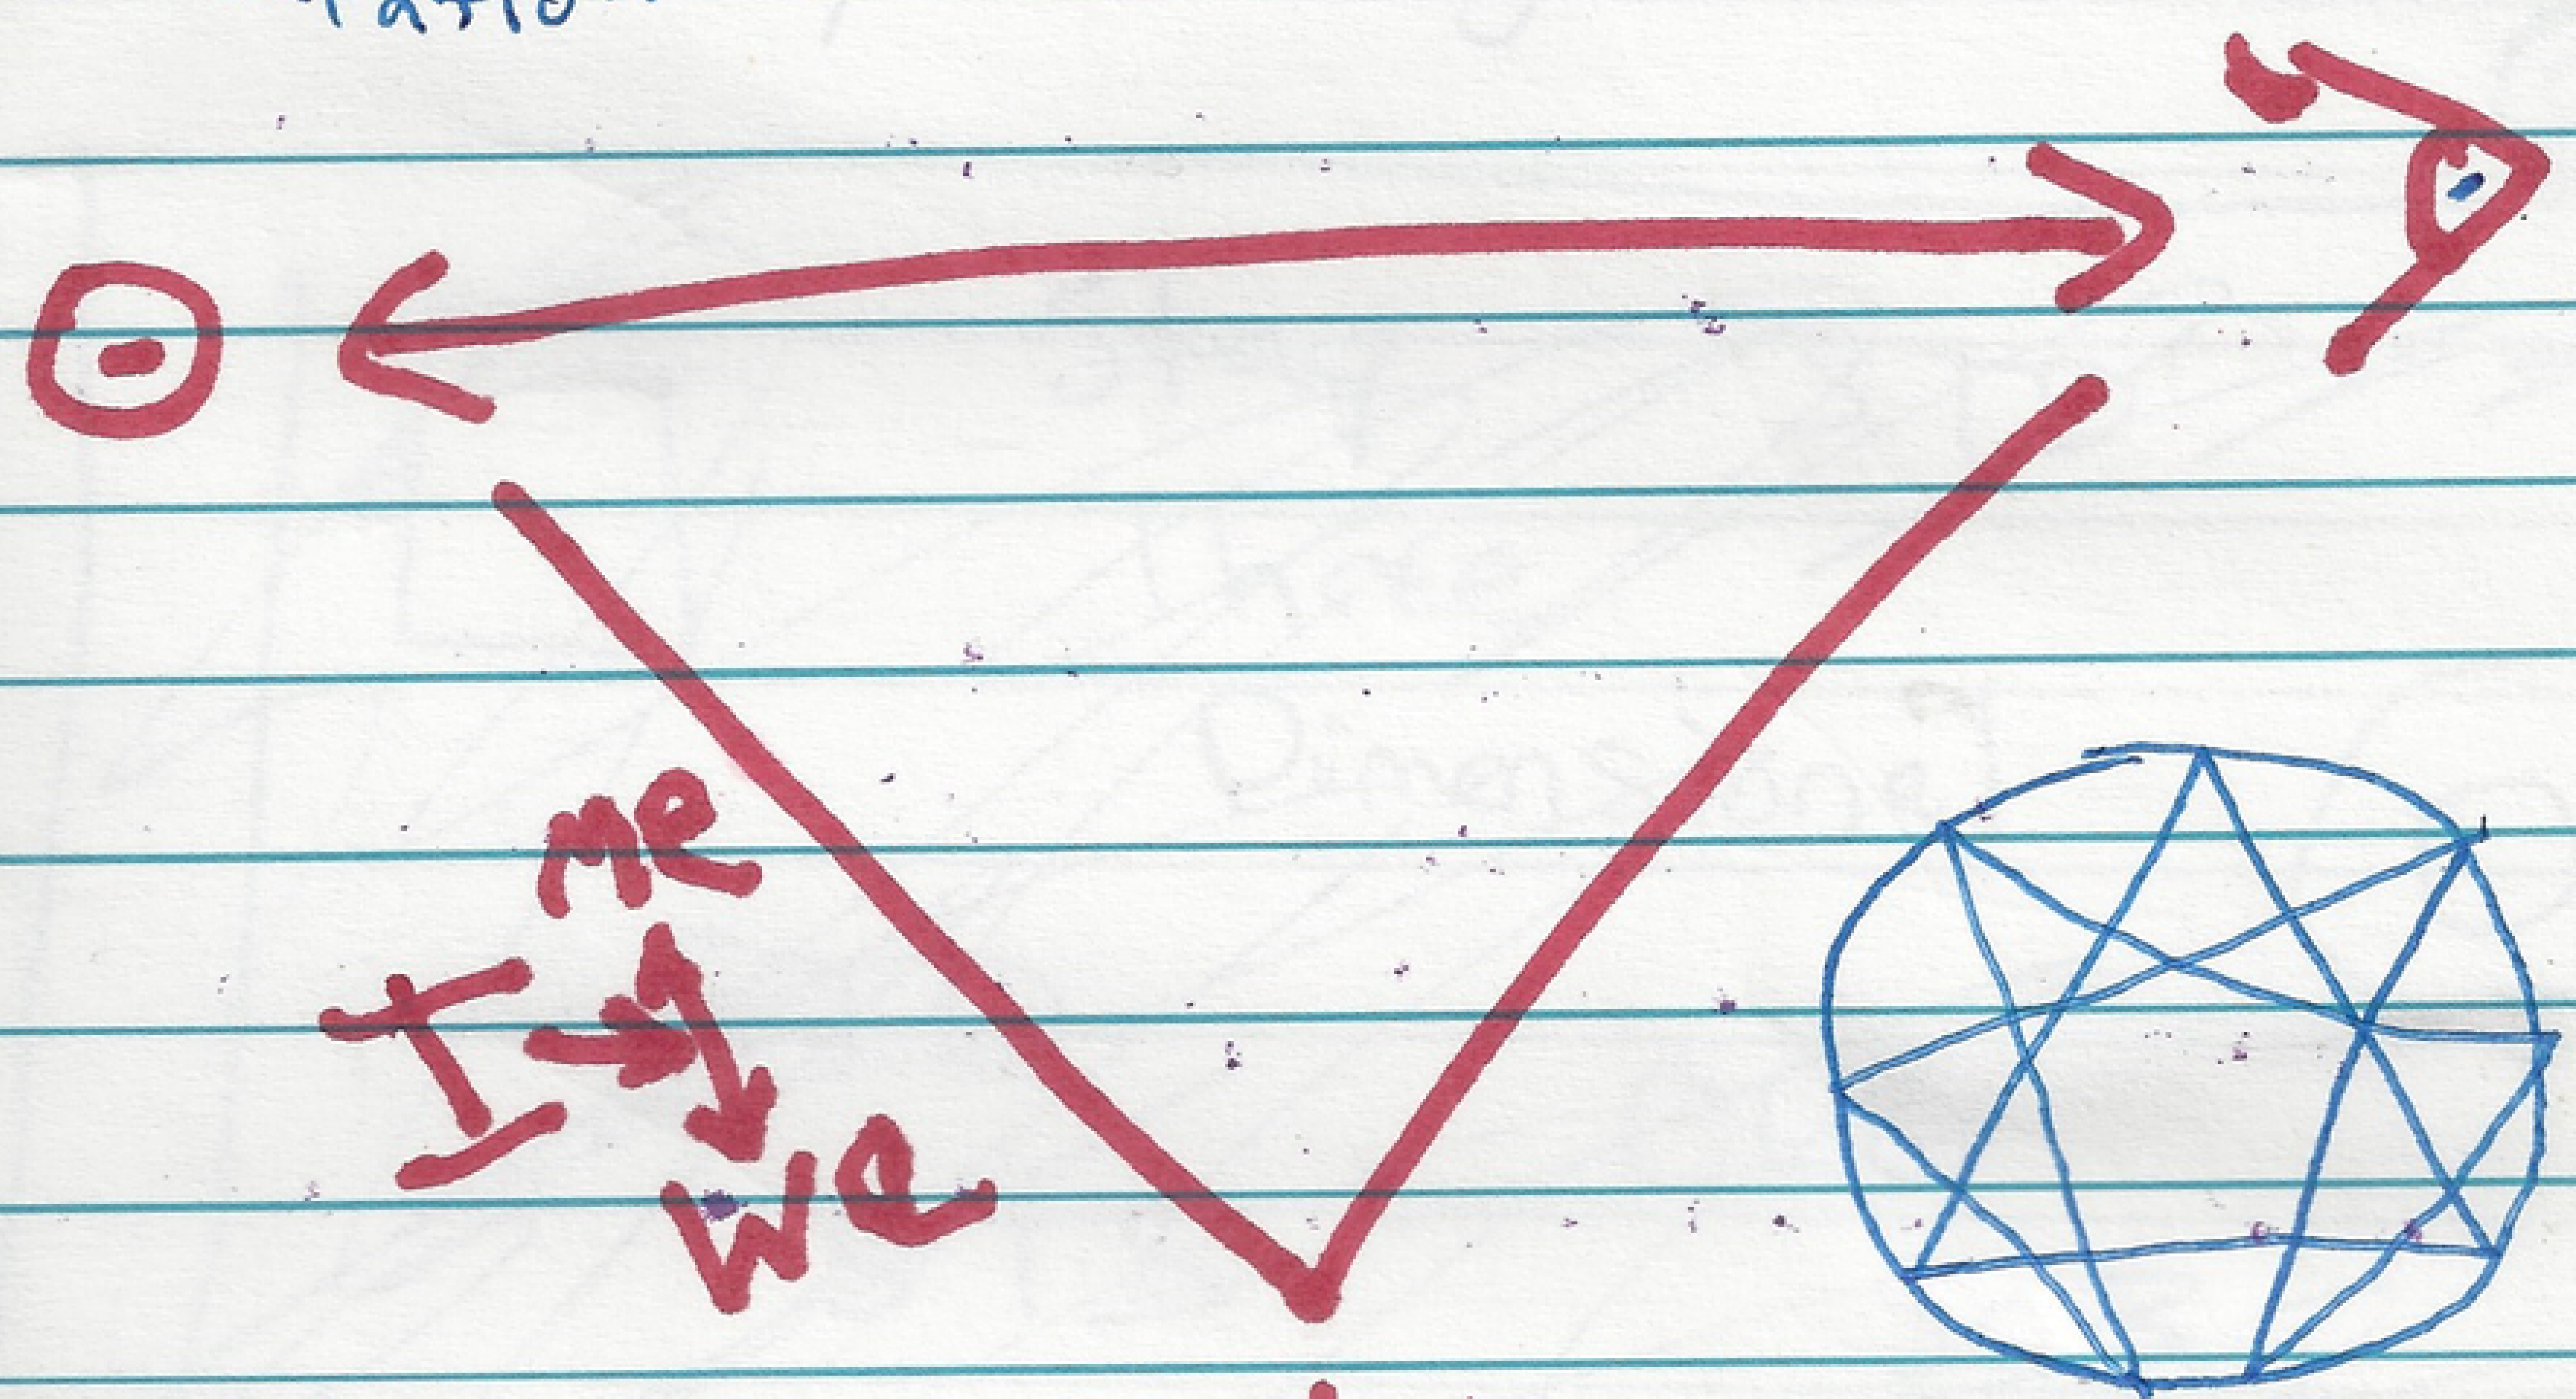

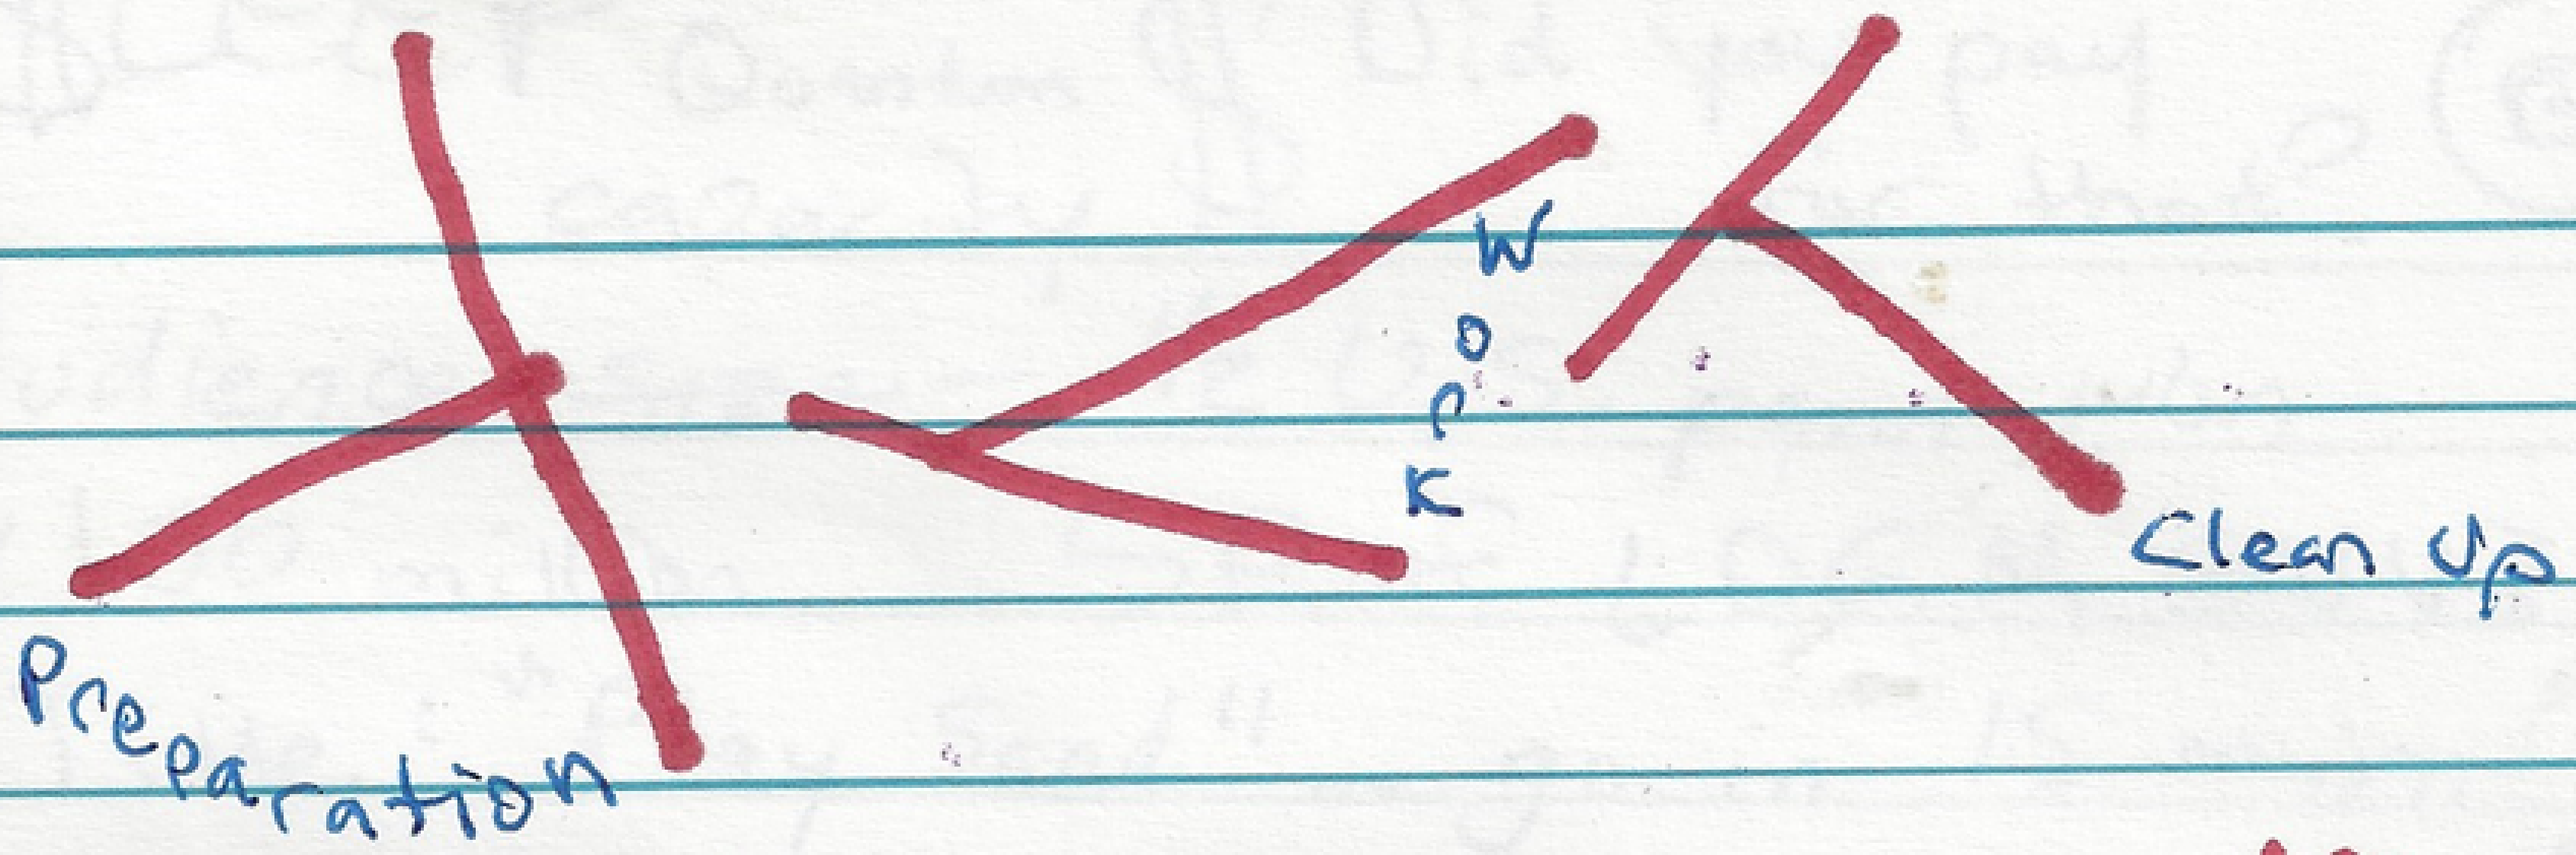

Slows down... deaccelerates...

60. You CANNOT define Essence

by 1) Color, 2) Letter, Word, Name, Sentence,  
6) Computer Book, Library, or Internet

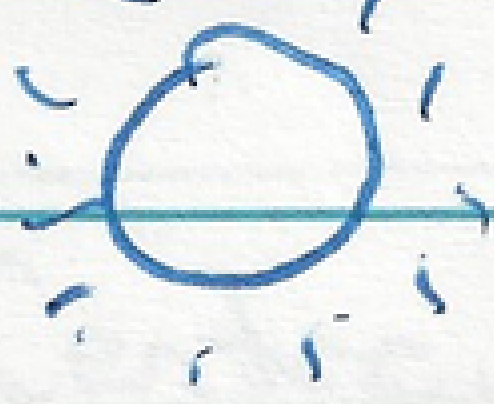

3) Tone, pitch, volume 4) Smell 5) Smoke

These can remind you of the past & serve  
for sake of signs of the future.

You CAN tell Essence

by 1) How does it feel?

2) the shape of a plot on a  
graph form in real space-time

Time Never Waits... →

We SAY NOT AS WE DO,  
Drive a DODGE...

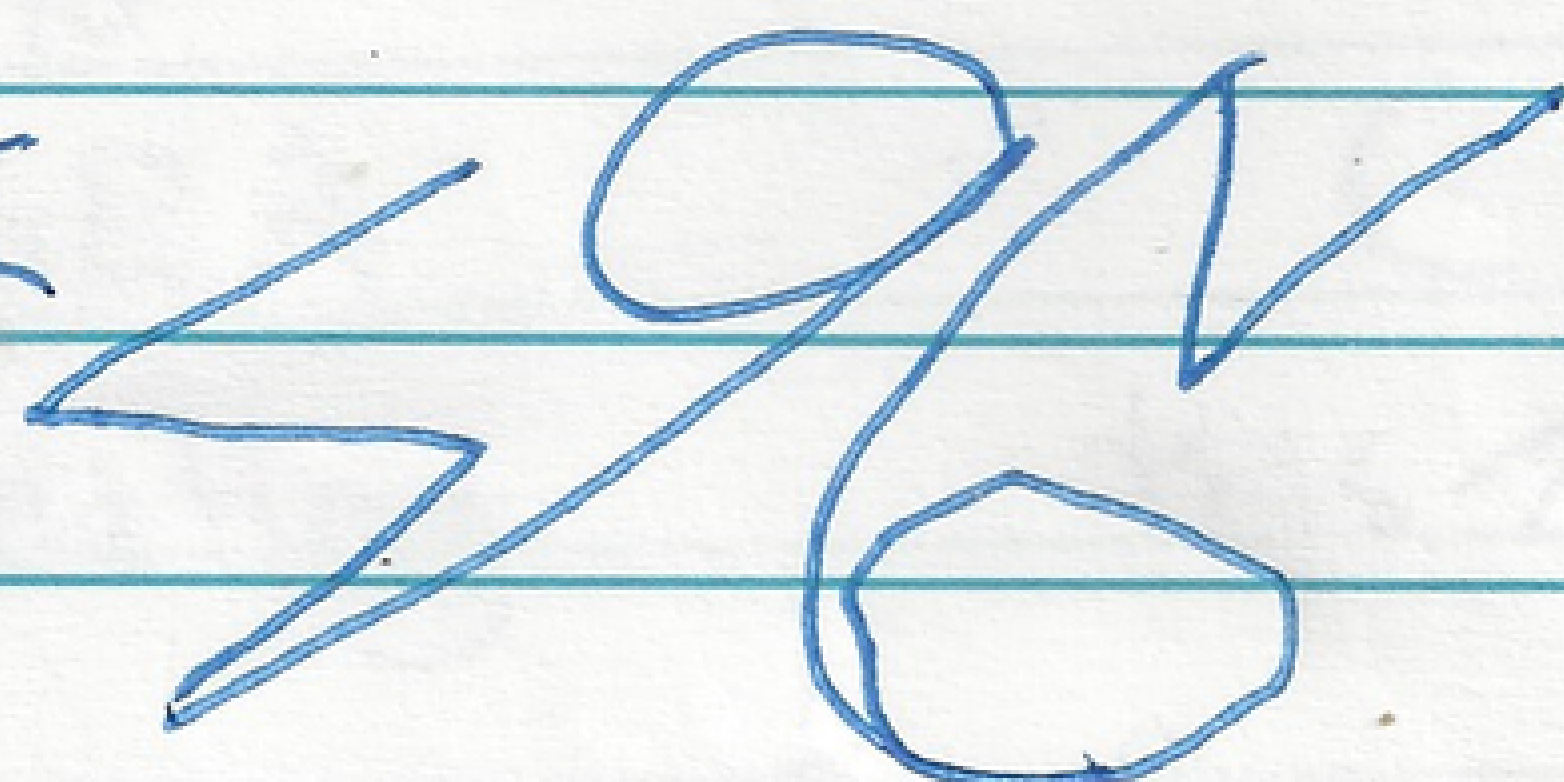

Can't we freeze 'em...

[ wave our banners  
who needs peace when we've  
gone above? ]

Paying it back is like paying  
it forward; you make a  
snap shot, take an impression,  
slap a ring on it, or place a  
bookmark.

Test it with an impulse, just  
be sure you can be sure you  
can be unattached to your  
"test impulse" (i.e. cynical laughter)

Definitely in lonely, rare moments  
Your attention may **CRAZY**  
emerge **AS**

I can be convinced of nothing  
Nor any of the priors either  
We, of Earth, regret some  
We Earthlings will **FIX**  
Need time, as always,  
**WILL SEND OUR PRODUCT**  
**AS NECESSARY**

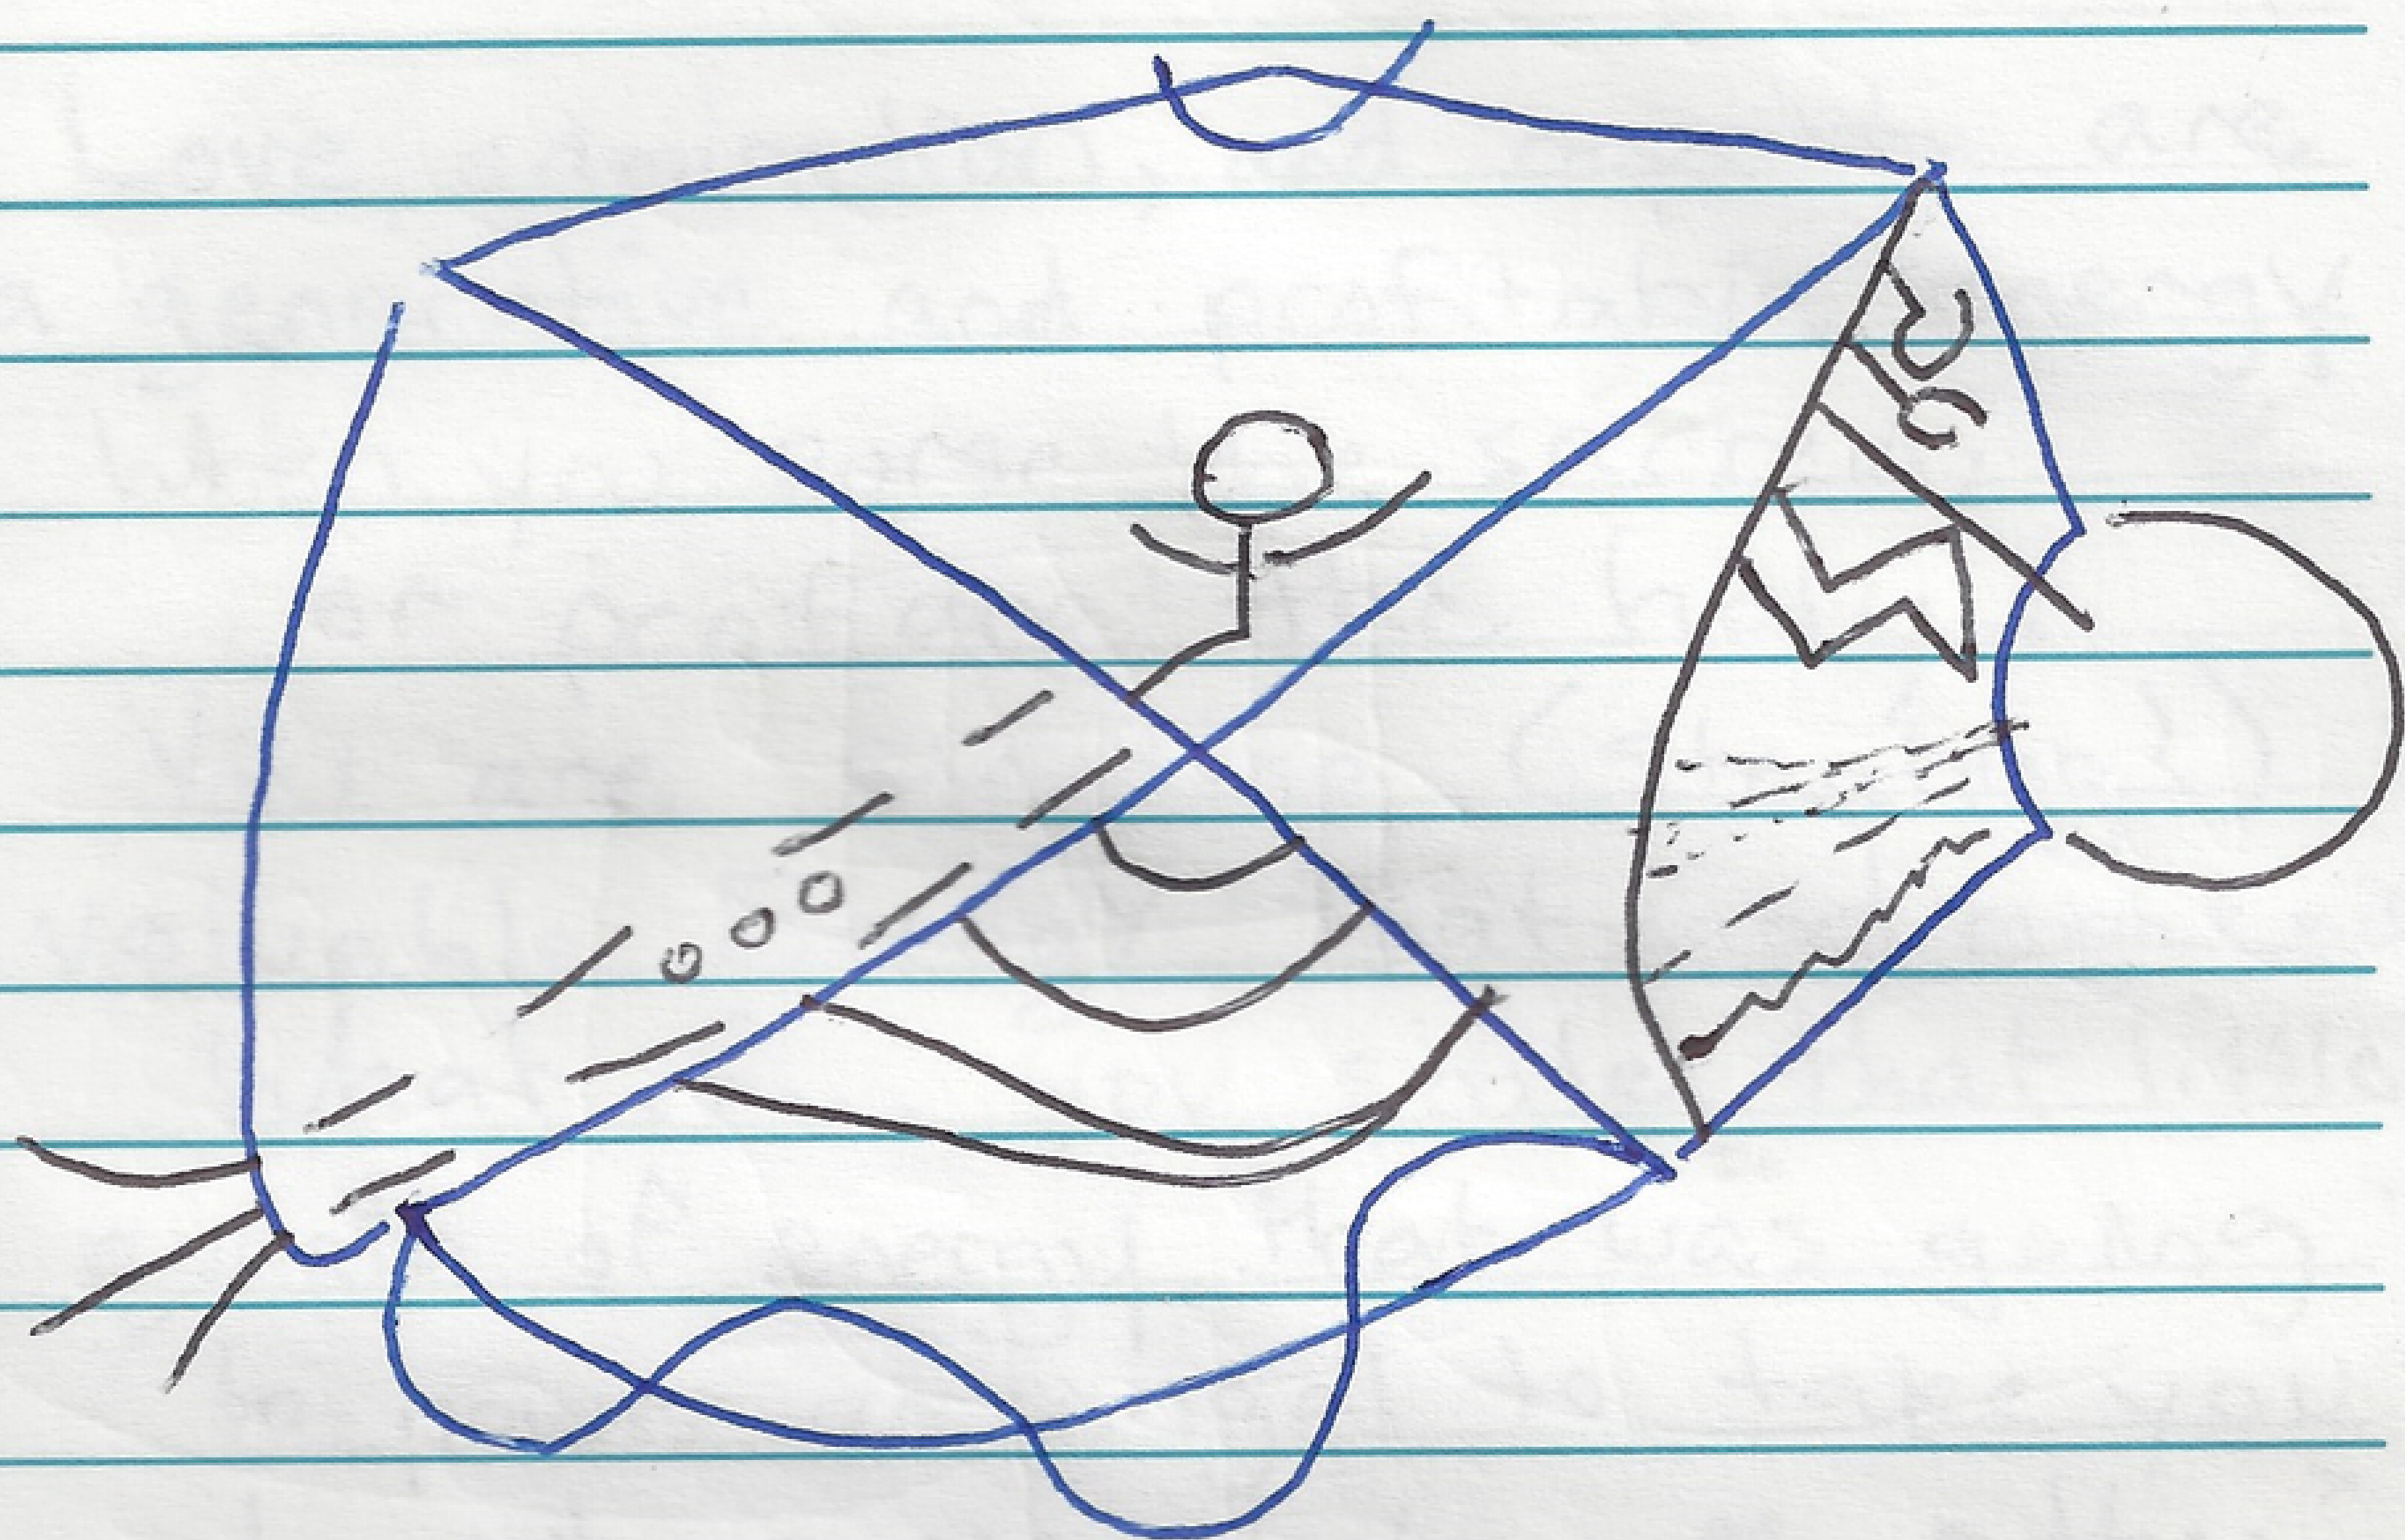

---

If thoughts were variables  
being watched over by angels  
(to protect humanity in some  
capacity) I would watch **TV**  
If this be true, most humans  
are helpless, powerless, juicy,  
plump, & ripe **MECHANICAL METAL**  
**CHROME** robotic angels.

---

Remember **ONLY HUMANS**  
 can think, talk to  
Humans

They don't know English,  
they only know body language.  
Those that know the Universal,  
only know what they know  
It's your decision to choose  
But they have forgotten how to lose  
Trees and bugs, men and flies,  
May they endure each other's  
cries

Teaming up body and the Universal  
those that understand can control  
Never look straight into their eye  
Or you will give away your thought

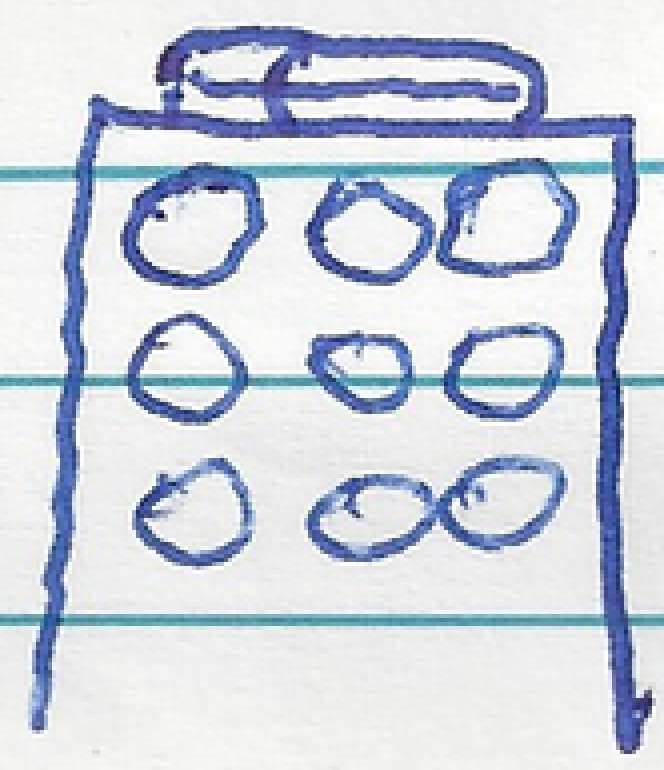

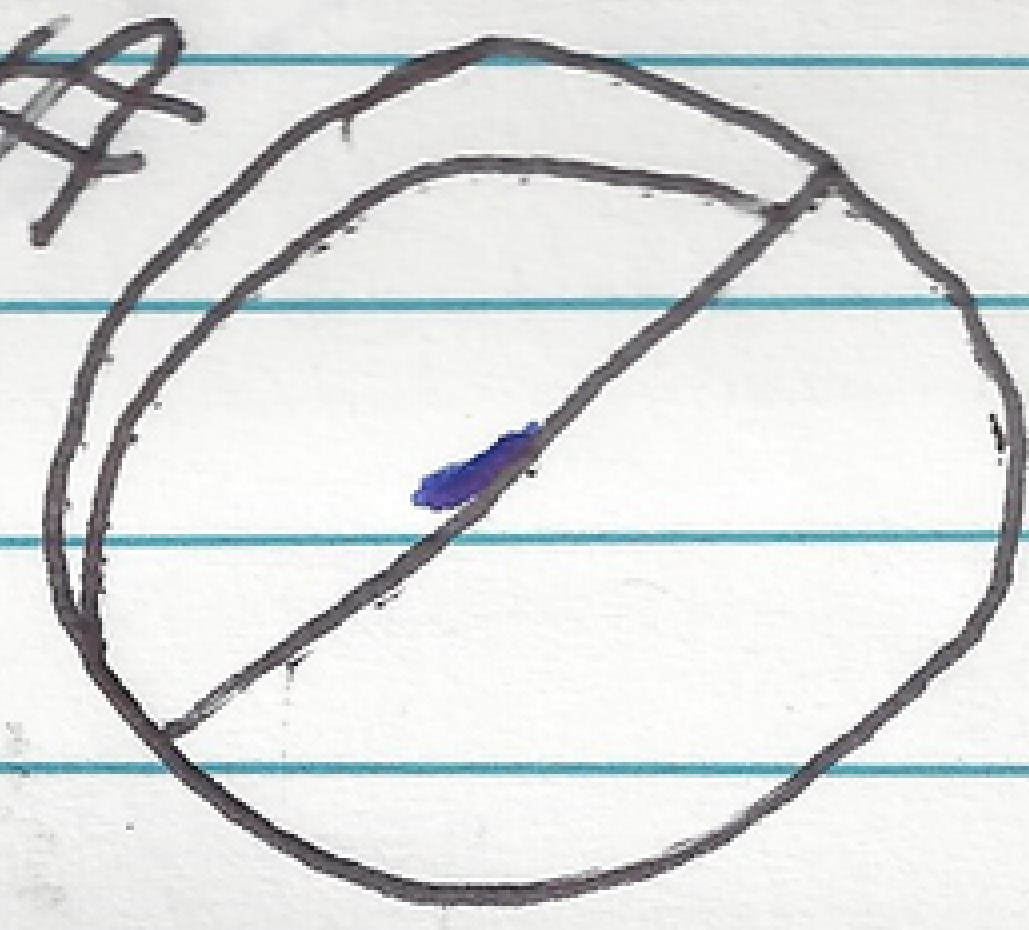

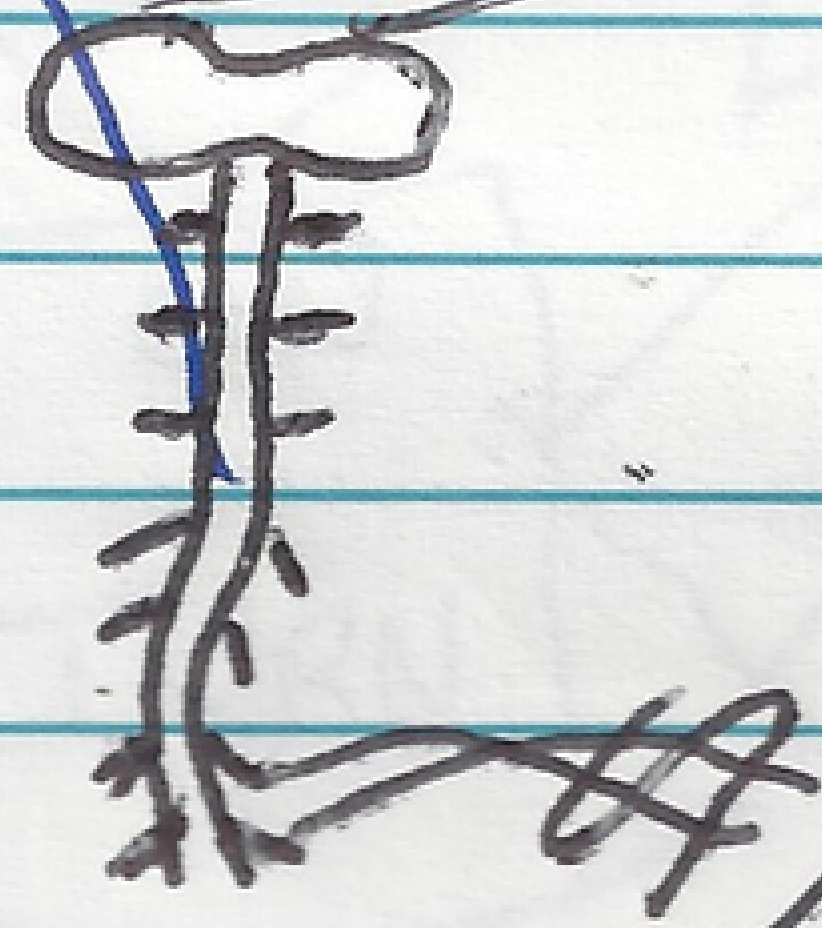

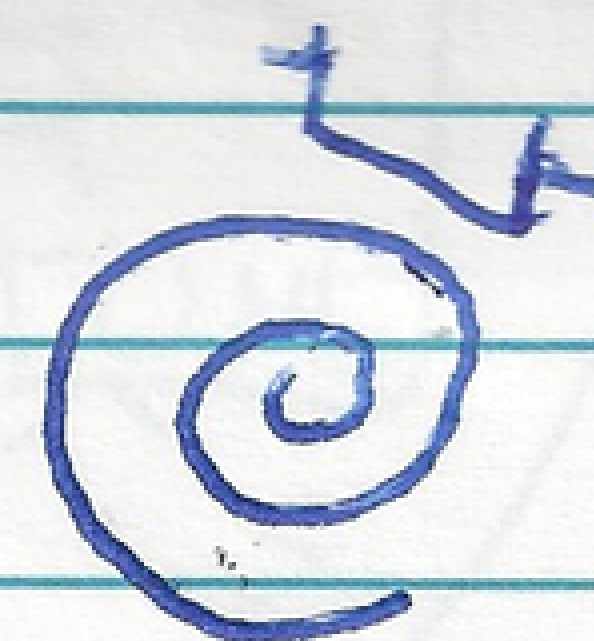

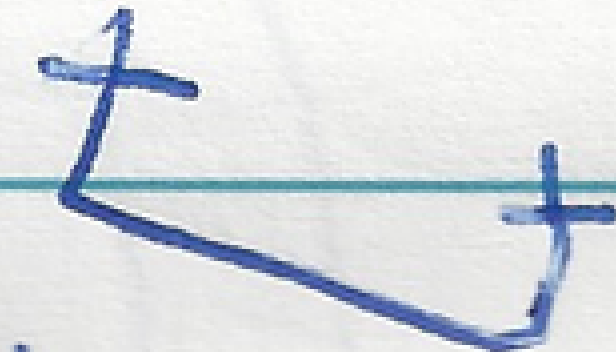

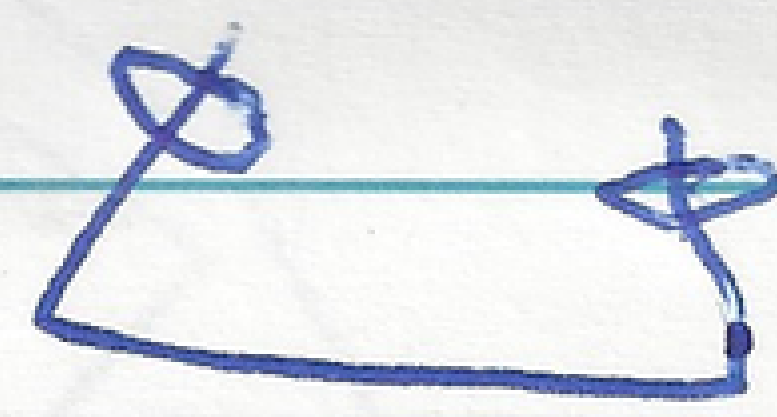

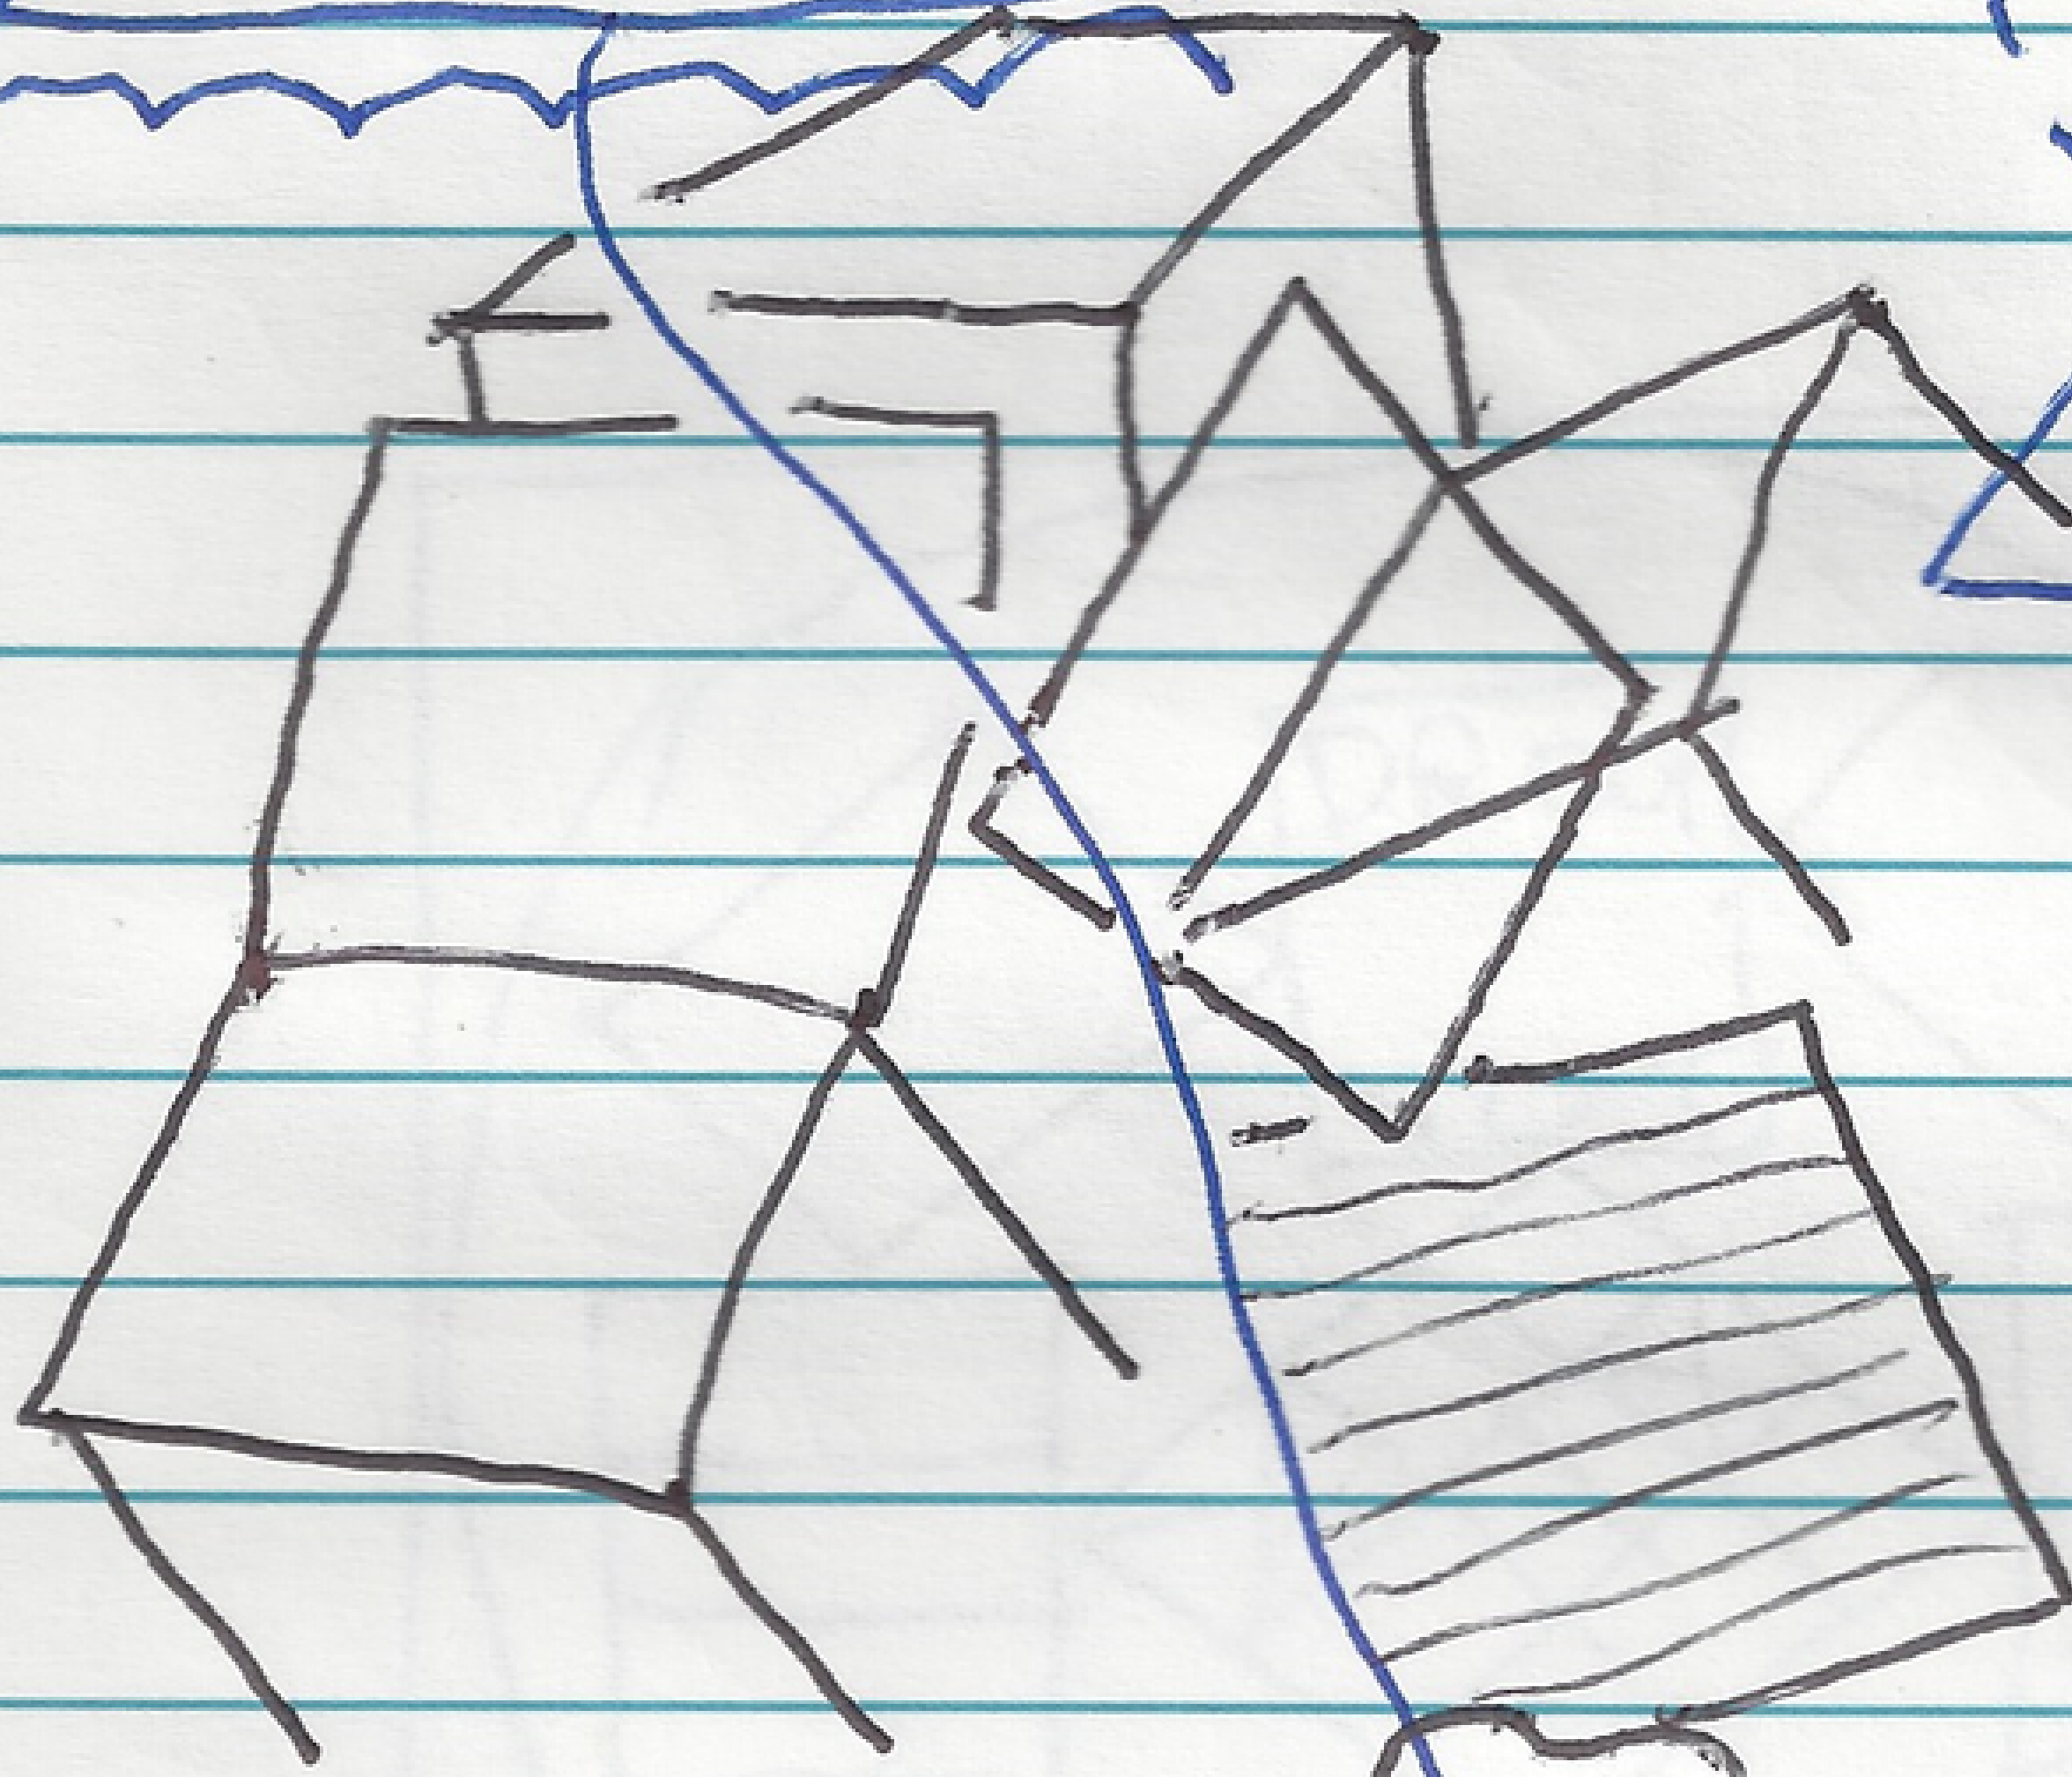

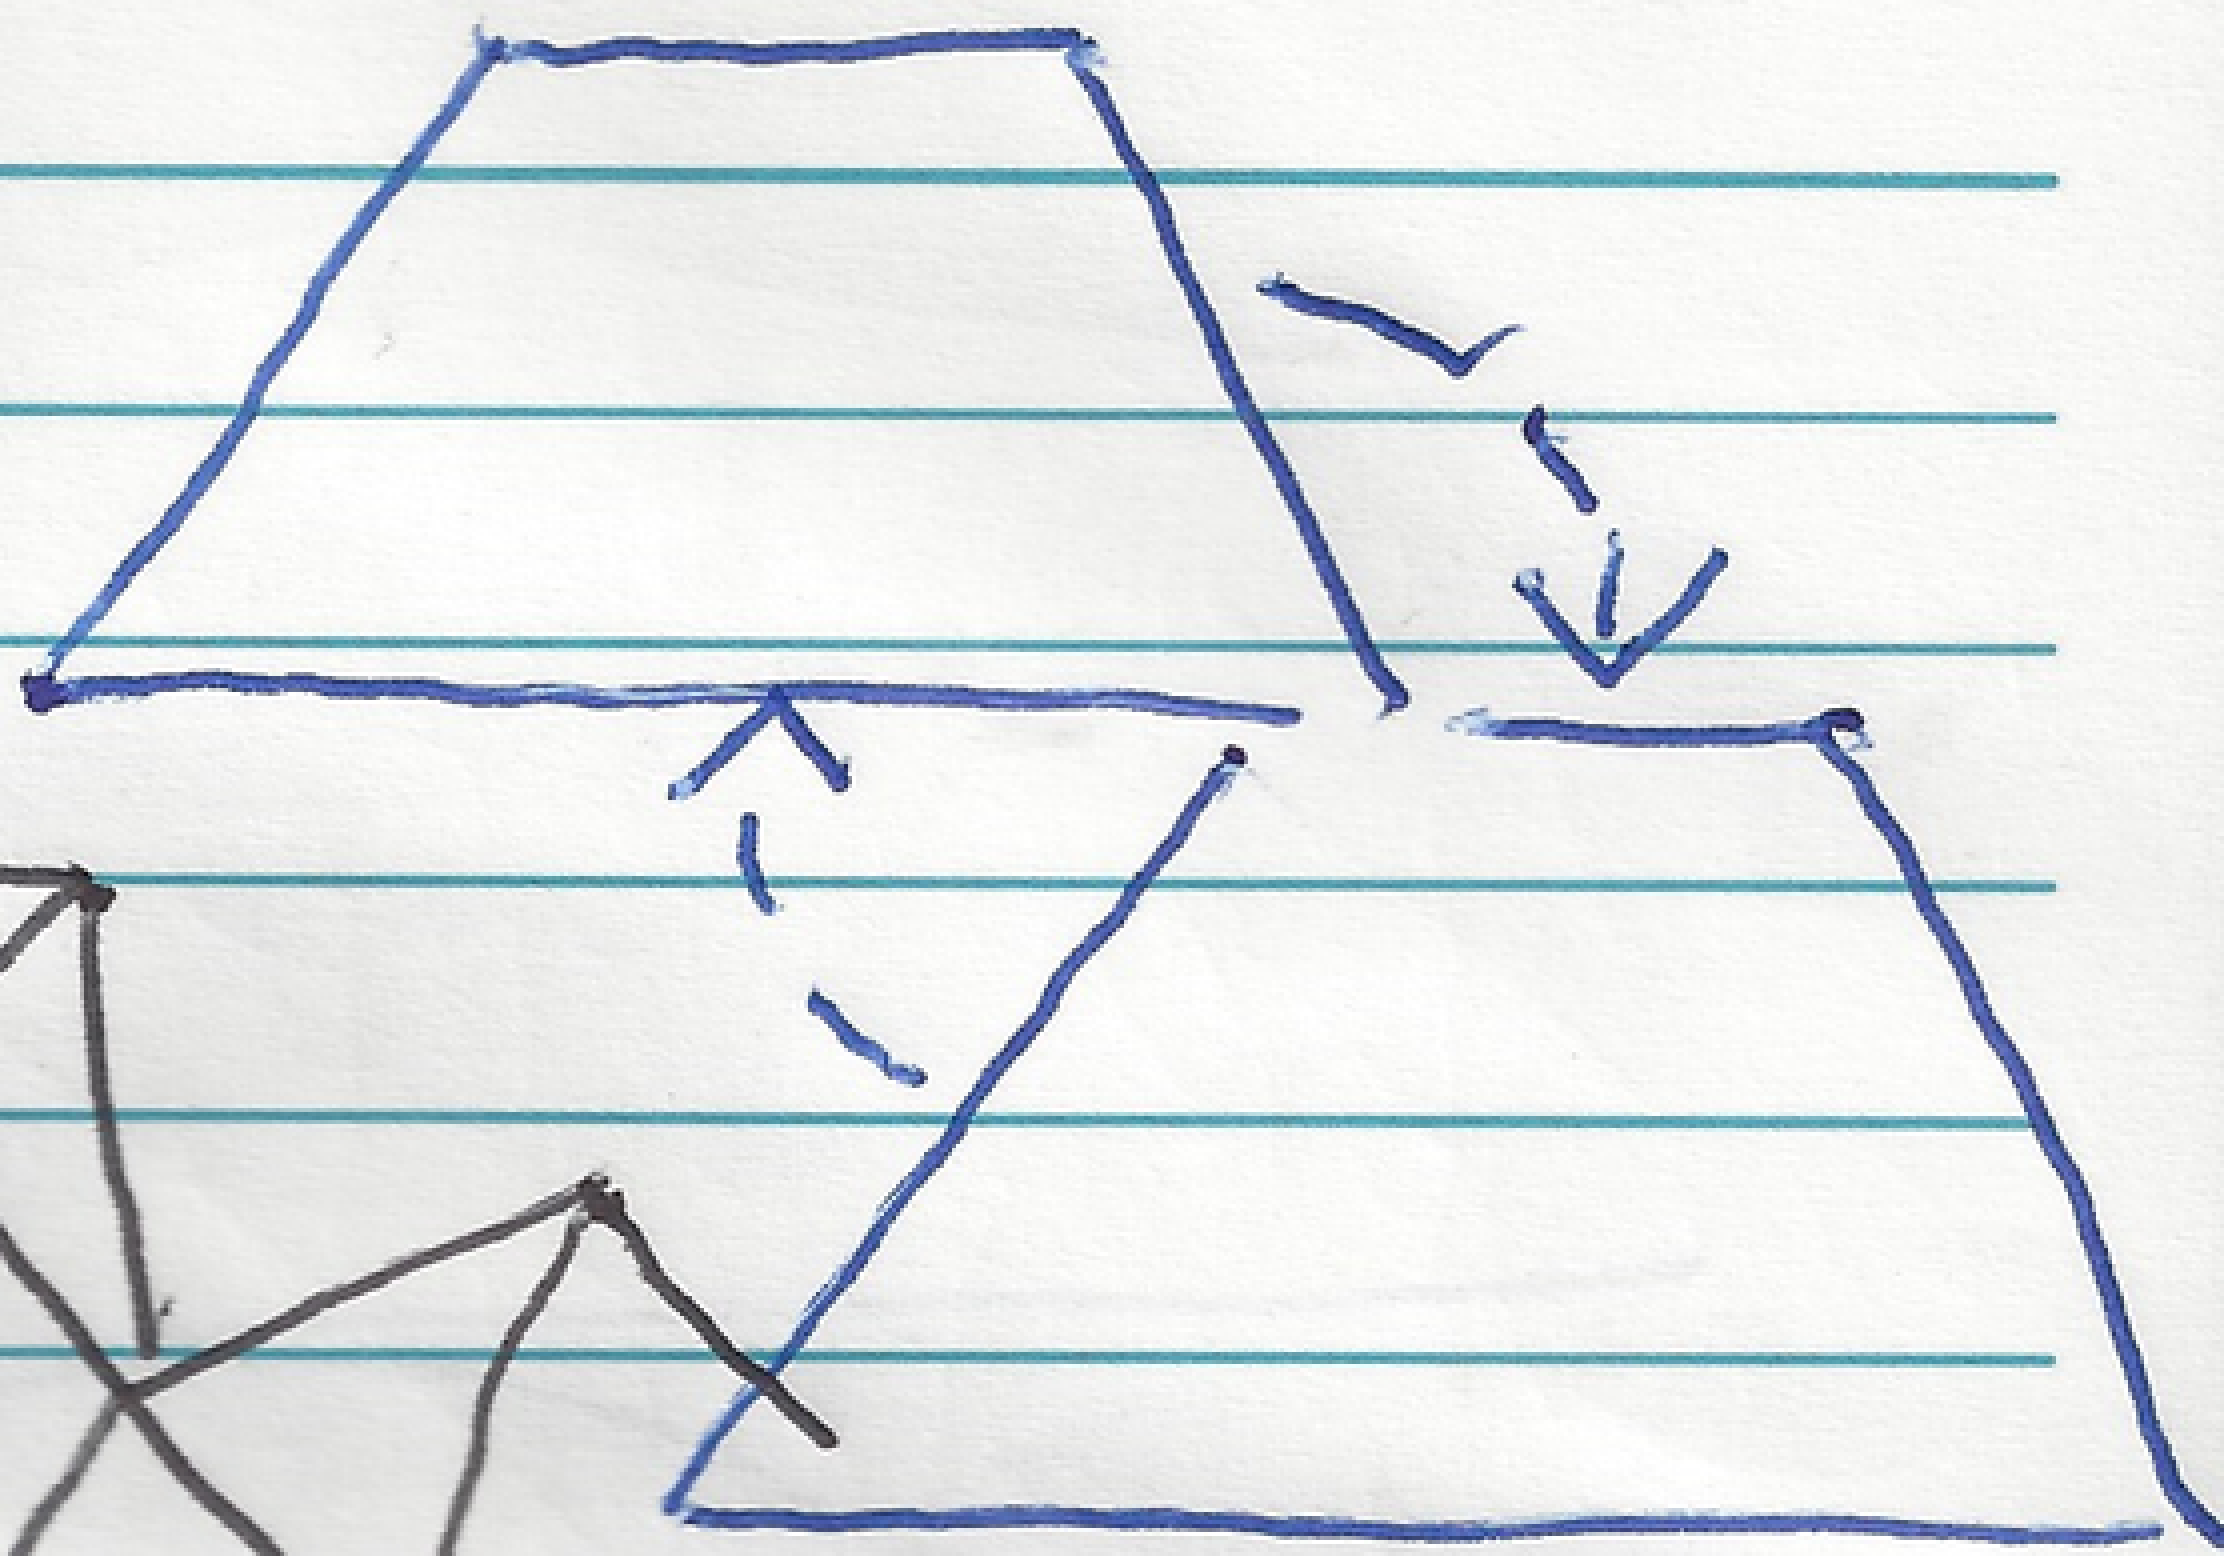

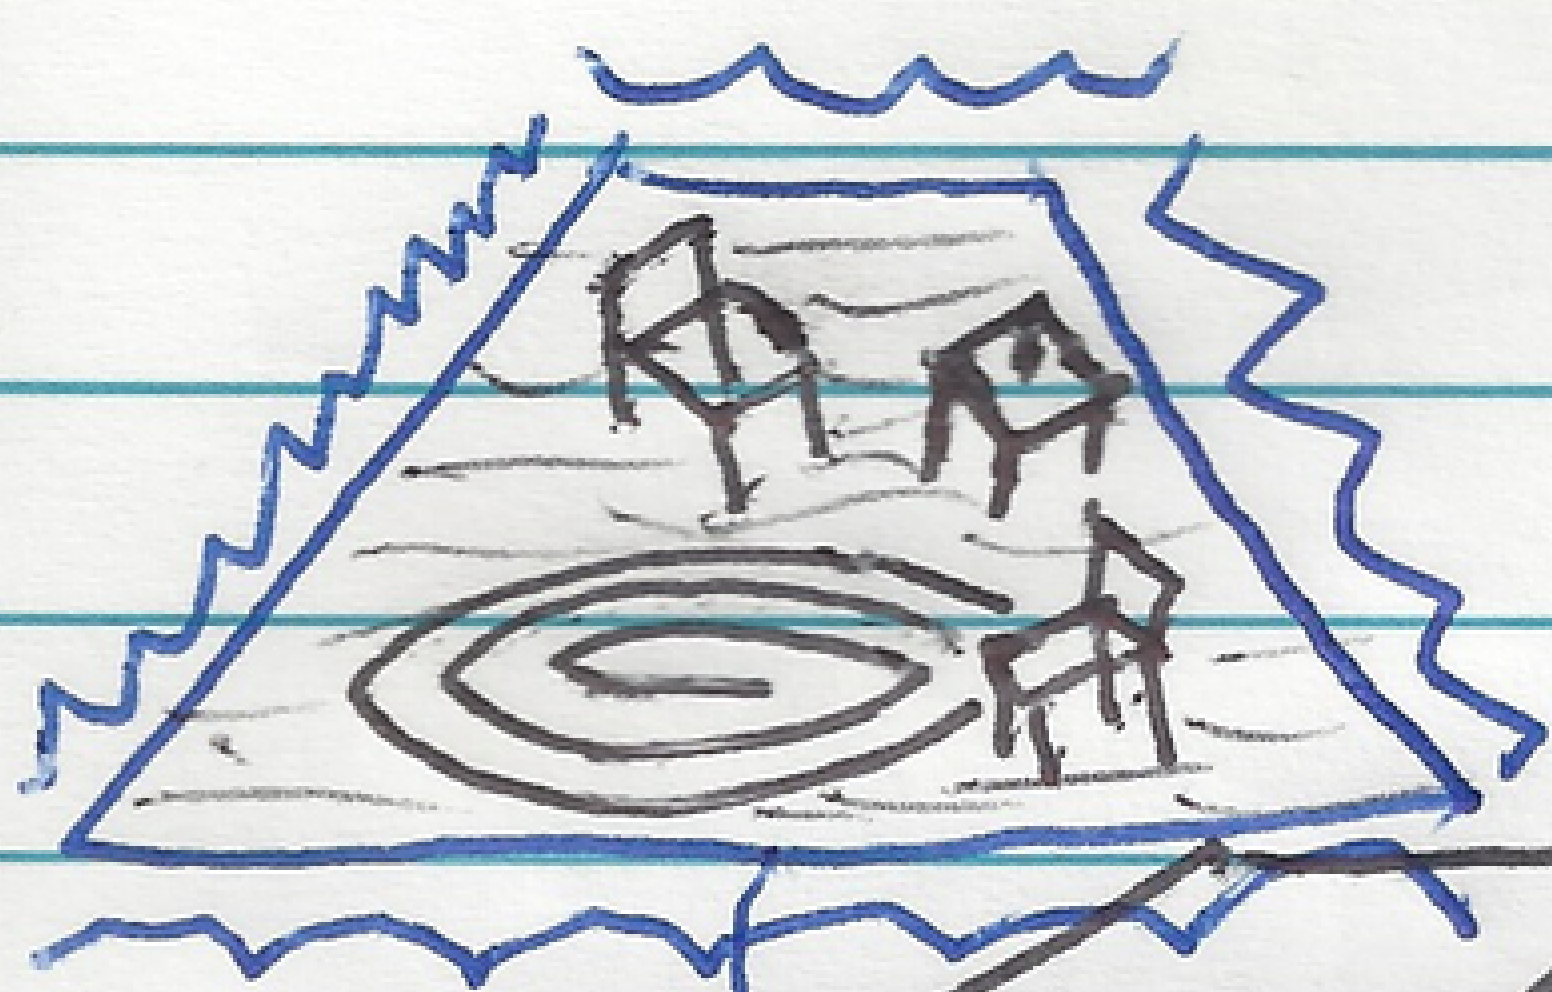

Love, admiration, and respect are  
a generative and profitable energy  
when you curse the sacred,  
or profane the holy...

You are stealing (stealing!)  
valuable Energy that God might miss  
What if... you stole that little  
quanta of energy that was going  
to power an angel to take you  
to where you belong ~~to~~ ~~other~~?

Therefore I say, serve the Lord,  
God, and Holy Ghost... serve Shiva,  
Brahma, and Vishnu... and as for  
their enemies; really they have none,  
for they are out of this world.

Enemies without & enemies within  
are served from the plate of armor  
with french fried swords. Love  
everyone especially Pussy, Serve  
everyone certainly Vagina, and always  
and in everything,

They will give an answer for sure.

So know your fate...

You will determine your future  
by your acts in this present

Do you, you, know whom  
you really serve?

If it is not too much to ask

Serve your fellow man.

Don't get stuck in any reality,  
and the way to get out is

to realize you are stuck and

where you are stuck, and the

means and moods of getting

out will make themselves handy!
